## Mr. Brumfield: A Humanitarian Math Teacher

This 1986 *Blue Jay* yearbook is dedicated to Mr. John Brumfield.

As Jesuit's Mathematics Department Chairman for the past 14 years, and as a dedicated Blue Jay math teacher for 16 years, Mr. Brumfield has, in the words of the Rev. Harry J. Thompson, S.J., "continuously exhibited his love for Jesuit and for the Blue Jays entrusted to his care."

In speaking of Mr. Brumfield, Fr. Thompson and others emphasize that Jesuit's Math Department Chairman is more than an excellent teacher. "I consider it a special blessing to be a friend of his," Fr. Thompson related.

Born in Brookhaven, Mississippi, Mr. Brumfield began teaching 24 years ago in Mobile, Alabama. He came to Jesuit 16 years ago and has been teaching Pre-Calculus, Calculus, Algebra, and Geometry here ever since. During the past 16 years he has served as moderator of the Jesuit Math League for 11 years and as sponsor of Mu Alpha Theta for two years now.

Besides having taught current and former faculty members during his tenure at Jesuit, Mr. Brumfield has instructed and motivated numerous Blue Jays who have gone on to enter

careers in math-related endeavors.

It is partly his former students who bring him joy as an educator, "It's always a special pleasure," he said, "seeing a returning graduate and know he has realized success in math."

However, Mr. Brumfield is also firmly based in the here and now, and he said his greatest reward as a teacher has been "seeing students grow from day to day and from year to year."

In a January, 1986 interview, Mr. Brumfield said that although he hopes students master the specifics of each mathematical discipline, it is the "carry over," in the long run, that is most important. This "carry over" is the ability to think logically.

"Whatever a student goes into after his years at Jesuit," Mr. Brumfield explained, "he will need to be able to reason logically in order to realize success in life."

Although logical reasoning is a cornerstone of his teaching, Mr. Brumfield is not a stoic. It is, his students and fellow faculty members say, his deep sincerity and captivating style that has motivated students to learn and grow.

Mr. Brumfield's dedication and his

experience at Carrollton-and-Banks has made him "a pillar of Jesuit's instructional program," according to Mr. Paul Frederick, Jesuit's Assistant Principal For Faculty and Curriculum.

When asked for his thoughts on Jesuit, Mr. Brumfield answered quick and with a proud smile. "I love teaching here. The student body has tremendous spirit, and I feel that the students truly grow into men who care for others while they are here. This," he added, "is certainly reflected in the high number of students involved in extra-curriculars here at school and by the great number of successful graduates from Jesuit."

"I just can't think of a better high school anywhere."

As for the teaching profession, Mr. Brumfield said he teaches because "it helps me stay young, it keeps me in touch with humanity, and there are spiritual rewards, I believe, in helping students grow into the best they can be."

Perhaps Jesuit English teacher Mr. David Prados, a former student of Mr. Brumfield, sums it up best: "Jesuit's lucky to have such a caring person (as Mr. Brumfield) to chair its Math Department."

## In Memoriam Brother Everard "Tudy" Booth, S.J. (1917-1986)

The Jesuit community suffered the loss of a special friend and servant Brother Everard I. Booth, S.J., this year.

Brother Booth died as he had lived, helping others. He was killed in a head-on collision on Feb. 23, 1986, while enroute to the annual Fathers' Son Breakfast, after having driven a fellow Jesuit to a parish church to say Sunday Mass.

Brother Booth first came to Jesuit in New Orleans in 1941 when he served as secretary to the provincial. From 1946 to 1961 he worked at the Jesuit Mission in Sri Lanka. Upon returning to the U.S.A., Brother Booth served in the Seminary and Missions Bureau.

He returned to Jesuit High School in 1971, first as prefect of discipline and then as director of alumni in 1972. For his decades of unselfish service to the Society of Jesus and to others, Brother Booth was given the North American Martyrs Award in 1982. In 1984, during his golden jubilee as a Jesuit, the kind-hearted Brother Booth was named an honorary alumnus of Jesuit High School.

The Star. The star symbolizes the Immaculate Conception. The original and formal name of Jesuit High is the College of the Immaculate Conception. Mary, the Mother of God, was conceived without original sin; the name of this dogma is the Immaculate Conception.

The colors of Jesuit High, blue and white, are the colors traditionally associated with the Blessed Mother.

## Louis J. Roussel, Jr. Physical Education Building Dedicated And Opened

A bird's eye view of the new Louis J. Roussel Physical Education Building

The initial phase of Jesuit's 21st Century Campaign became a reality on Sunday, April 15, 1986, when the \$2.1 million Louis J. Roussel, Jr. Physical Education Center was formally dedicated and opened to the Blue Jay community.

Several benefactors and prominent officials gathered on the steps of building for its blessing and official opening. Among those present for the ceremony were Rev. Edmundo Rodriguez, S.J., provincial of the New Orleans Province of the Society of Jesus; outgoing New Orleans Mayor Ernest "Dutch" Morial; Mr. Louis J. Roussel III, who contributed \$1 million towards construction of the center; and Mr. Louis J. Roussel, Jr., whose name the building bears.

Speakers, in addition to Mayor Morial and Mr. Louis J. Roussel III, included the Rev. Harry W. Thompson, S.J., President of Jesuit High School; Mr. William C. Gambel, chairman of the President's Advisory Council; and Tommy Sandoz, Class of 1986, representing Jesuit's student body.

The Rev. Merlin Mulvihill, S.J., rector of the Jesuit High School residence, offered the invocation; and the Rev. Edward W. Conley, O.P., pastor of St. Anthony of Padua Church, blessed the center and the statue of Madonna and Christ Child.

In his speech, Fr. Thompson began by thanking both God and the Blessed Mother for their help in making the center a reality. He then recognized two of the many individuals who assisted him throughout the construction of the center, Mr. Frank Misuraca, assistant to the president, and Mr. Ray Rizzo, who works in the Alumni Office.

On entering the building, one first sees the football coaches offices, which have many windows so the coaches have a clear view of the football team's equipment in its lockers. This locker space is surrounded by blue fencing which provides visibility and ventilation.

The wrestling team shares the first floor with the football players and has its own coaches offices and its own

practice area. The wrestlers also have blue chainlink protecting their equipment, as do the physical education classes and the baseball, soccer, and track teams, all located on the second floor.

The coaches offices on the second floor are placed at each corner to allow all-around viewing by the staff. There is room for each team to change, as for the football players and wrestlers, and even a coaches' changing room.

The rooms for health classes and team meetings are also on the second floor, along with showers for use after workouts.

Finally, there is the gigantic third floor and main playing area for physical education and track practice. Covered with special carpet called "Pro-gym" which gives a quiet, true bounce to basketballs, the third floor has two basketball courts, two lanes for track, one for hurdles, two circles for shot put or discus practice, markings for volleyball courts, and a baseball batting cage.

# Awards Night

## Students' Achievements Recognized

On Thursday, May 8, the 1985-86 Awards Night assembly was held in the Jesuit auditorium.

Select members of the student body gathered to receive official recognition for academic, athletic, and extra-curricular activities, while parents and friends looked on.

Also recognized were seniors who received scholastic college scholarships.

Master of ceremonies was the Rev. Harry W. Thompson, S.J., President of Jesuit High School. Coaches, moderators of academic and extra-curricular activities, and friends of the school assisted Fr. Thompson in presenting the awards.

Major awards were received by the following students:

Willie Bradford, the Coach Lou Rulebook" Brownson Memorial Award for all-around athletic ability;

John P. Fleming, the Robert T. Casey Memorial Award for the varsity athlete with the best sportsmanship and spirit;

Stephen T. Perrien, the Coach Lou "Rulebook" Brownson Memorial Award for best lineman in football,

Gregory P. Waguespack, the William D. and Marybell Postell Award for the senior basketball player with the best leadership, scholarship, and spirit.

# Bazaar And Auction

## Record Amount Taken In By Blue Jay Bazaar

Dedicated to the memory of the late Brother Everard J. Booth, S.J., Jesuit's 12th Annual Blue Jay Bazaar was held on March 23.

The bazaar, which took in \$213,000 — breaking all previous records — was "miraculous," Fr. Harry Tompson, S.J. said, because the city's troubled economy had led bazaar organizers to expect a 15 percent drop from last year's total.

Fr. Tompson credited the success of the bazaar to the hard work of Mrs. Jane McMahon, chairman, and Mrs. Marilyn Dittman and Mrs. Charleen Morris, assistant chairmen, as well as the efforts of parents, alumni, faculty, students, and friends of the school.

Also setting new records were the March 8 Fiesta Auction and the money raffle. Organized by Mrs. Janet Frischhertz, the auction contributed \$81,500 to the bazaar coffers, and \$38,315 was raised by the money raffle. According to the raffle directors, Mrs. Mary Endom and Mrs. Kay

Burns, the amount raised by the raffle was the largest ever, even though \$5,000 rather than a car was the grand prize awarded.

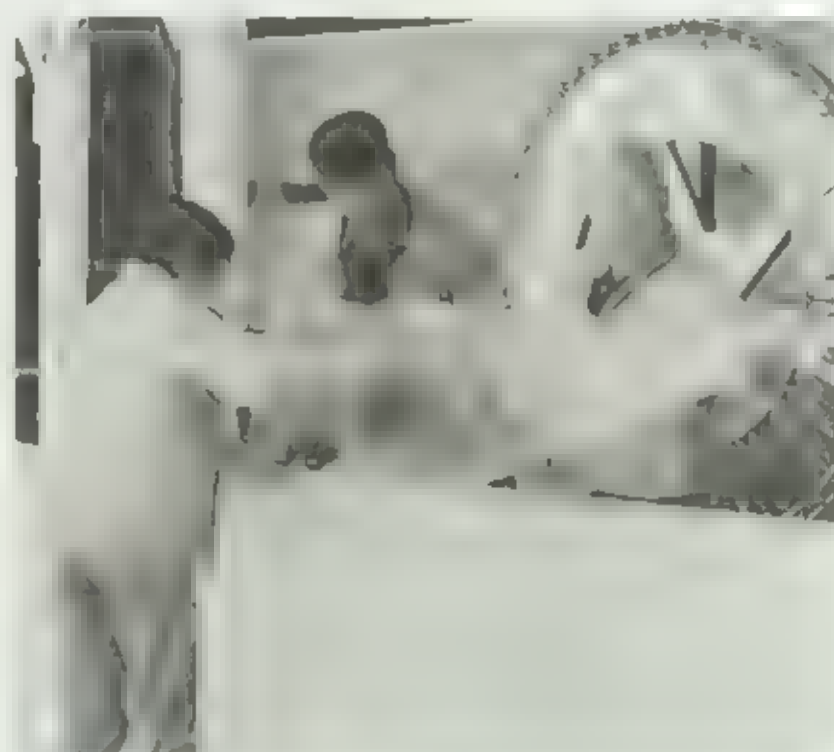

The record breaking amounts of money produced were not the only new aspects of the bazaar. Bazaar goers were pleasantly surprised by the addition and rearrangement of booths throughout the yard. Among the new additions were the Blue and White Pavilion, which housed food concessions, and the highly popular Hi-Striker test of strength. New booths inside the basement were the Nickel Toss and Around the World in 80 Dolls.

The day began when 596 students, alumni, and friends gathered on Banks Street outside the new Roussel athletic center, awaiting the sound of Fr. Tompson's starter gun, which signalled the start of both the one-mile Fun Run and the 5K race. Junior Ricky Bass prevailed in the Fun run and "Dr. Pat" took the 5k.

On College Night representatives from colleges and universities throughout the country assemble at Jesuit to inform students about their schools, as well as providing literature and registration information. In addition to the representatives, there were speakers to instruct the students on how to get financial aid and how to go about the application process.

Career Night was held on January 30, 1986 and featured representatives from 22 professions and careers. Representatives included lawyers, management people, doctors, and journal-

ists. There were also presentations on college admission given by Dr. Rebecca Brechtel, financial aid & scholarship information by Mr. E.P. Srybold, and a talk on college majors and resume writing given by Mrs. Mary Rose O'Neill.

Both College Night and Career Night give students a feel for what college and life after college will be like. Both nights offer an excellent opportunity to ask questions and find the answers that will help them make a good decision.

Both nights were coordinated by Jesuit's award winning College Counselor, Mrs. Laurie Leftwich.

# Dances

## Student Council Holds Record Number Of Dances

The Jesuit Student Council sponsored a record number of dances this school year. In addition to the traditional Ring Dance, Homecoming Dance and Senior Prom, the Council put on five other dances.

The year began with a back-to-school dance which was held in the yard for the first time. The new setting, combined with the music of DJ Van Laborde '86 and the effort of student volunteers, produced a very successful event. Next came the Halloween Dance, a new event on the calendar. This dance, which was also held in the yard, brought out the creative side of students with its costume contest.

Then, a Mardi Grawsome Dance was held during the carnival season. This dance, held in the basement, filled the need for a social event in the

early spring and proved to be quite successful.

The Junior-Senior Prom, sponsored by the Junior Class, was held in April. The Juniors, who went first class by renting a room at the Marriott and by hiring the band Multiple Places, produced a good dance.

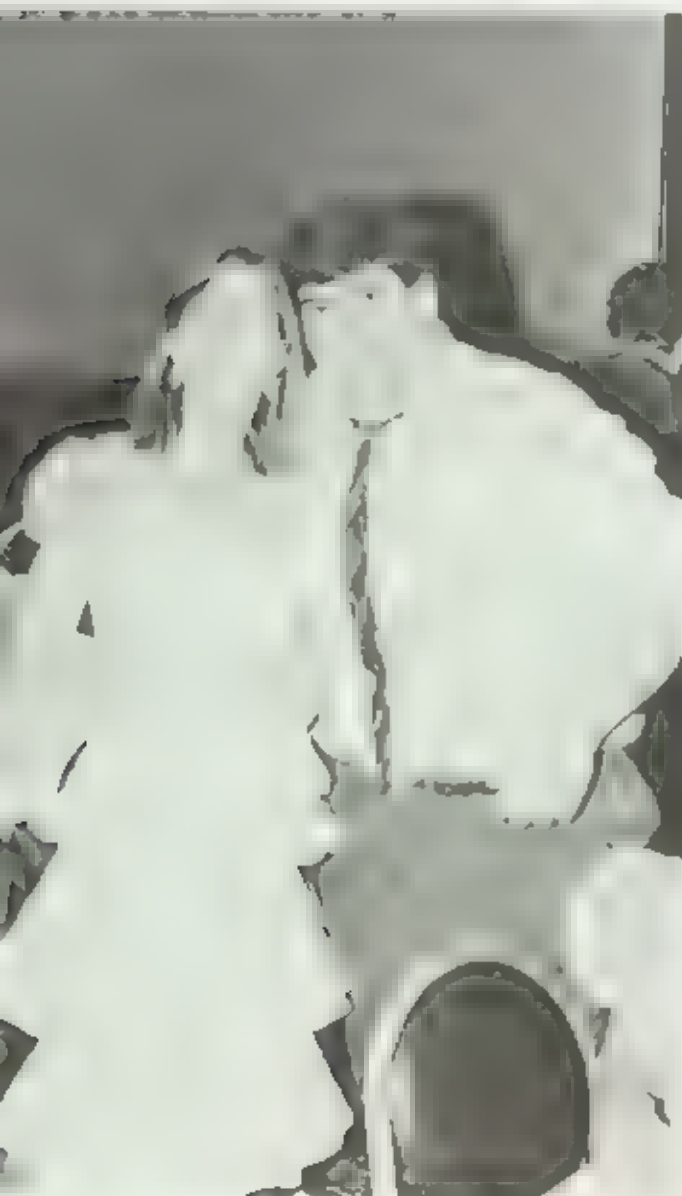

The final dance of the year, the Hawaiian Dance, provided an opportunity for underclassmen to socialize.

The success of these events should enable the Student Council to continue to sponsor future dances.

# Family Gatherings

Mother-Son Breakfast, Father-Son Breakfast, And Grandparents' Day

A student's relationship with his relatives does not go unnoticed at Jesuit High School. This fact is evidenced by three annual events: the Mother-Son Breakfast, the Father-Son Breakfast, and Grandparents Day.

The fourth annual Mother-Son Breakfast, which drew a crowd of 1400, was held at the Hyatt Regency on November 3. On that morning, mass was celebrated by Fr. Boudreaux, S.J., then seniors Paul Theriot and Jimmy Huck spoke about their relationships with their mothers, and finally breakfast was served.

Drawing a similar-sized crowd to

the Hyatt Regency was the annual Father-Son Breakfast on February 23. Fr. Hoffman, S.J. celebrated the mass and Bernie Cook '86 and his father Dr. Cook delivered talks about their relationship.

On April 12, the second annual Grandparents Day was held. This day is solely for Blue Jays and their grandparents to be together, first at a mass, which Fr. Boudreaux celebrated, then at a reception in the cafeteria, and finally for a tour of the 137 year old school building, which this year included the new Roussel Physical Education Center.

# Homecoming

## Rebecca Morgan Named Homecoming Queen

The 1985 Homecoming Court poses with Fr. Tompson. They are (l. to R.) Nichole Hassenboehler, Michele Quinlan, Rebecca Morgan, Cheryl Sternberger, Candice Cunningham, Allison Alegro, and Michelle Dorsay.

Each year many Jesuit alumni return to Carrollton and Banks to attend Jesuit's annual Homecoming festivities, and this year was no exception.

Homecoming week kicked off on Nov. 4 with a number of lunchtime activities designed to boost spirit for the Nov. 7 game against ancient rival Holy Cross.

A dance Nov. 9 at the Hyatt Regency where music was provided by "Sparkle," and an alumni Mass and breakfast Nov. 10 at Jesuit concluded the week.

This year's queen, Rebecca Morgan, escorted by senior Jay Quinlan, and the queen's court was introduced during halftime at the Holy Cross game by Mr. Sidney Menard, Sophomore Counselor and a graduate of the Class of 1949.

Ms. Morgan's court included three senior maids, Candice Cunningham, escorted by Chris Thoman, Michele Quinlan, escorted by Tom Lowenstein, and Cheryl Ann Sternberger, escorted by Jason Navia; two junior maids, Allison Alegro, escorted by Andre Burvant, and Michelle Dorsay, escorted by Chris Buddendorf; and one underclassman maid, Nichole Hassenboehler, escorted by sophomore Bill Burke.

Among the Homecoming activities

held during the week were the annual senior-faculty football game, won by the Class of 1986 20 to 6; the "Guess the Mess" contest, won by junior Nate Normand; the scavenger hunt, won by senior Brian Greenrood; and an air band contest.

# Masses

## The Jesuit Community Worships Together

The entire student body gathered together and participated in six masses during the 1985-86 school year.

The six masses, all held in the Chapel of the North American Martyrs, were: the Mass of the Holy Spirit on Aug. 30 (celebrated by Fr. Tompson); the All Saints Day Mass on Nov. 1 (celebrated by Fr. Partridge); the Mass of the Immaculate Conception on Dec. 6 (celebrated by Fr. Schiro); the Lenten Liturgy on Feb. 13 (celebrated by Fr. Boudreaux); the Holy Thursday Mass on March 27 (celebrated by Fr. Tompson); and the Ascension Thursday Mass on May 8 (celebrated by Fr. Partridge).

At these masses students assisted on the altar and in providing music.

# Open House

## Prospective Students Pack Open House

On November 17 Jesuit held its annual Open House. Seventh and eighth grade boys from more than 100 archdiocesan, public, and private grammar schools came to gain an inside view of Jesuit High.

Each department presented a display and prospective students and their parents were led through the exhibits by Jesuit student volunteers.

Many of this year's visitors said that they had been to other open houses, but they felt Jesuit's was the best. Others said they had been to Jesuit's Open House several times before, and they felt that it gets a little better each year.

# Retreats

Leadership Workshop, Senior Retreats, Days Of Recollections

The aim of Jesuit High School is to mold the minds and characters of each of its students. This goal would not be possible without a strong religious foundation

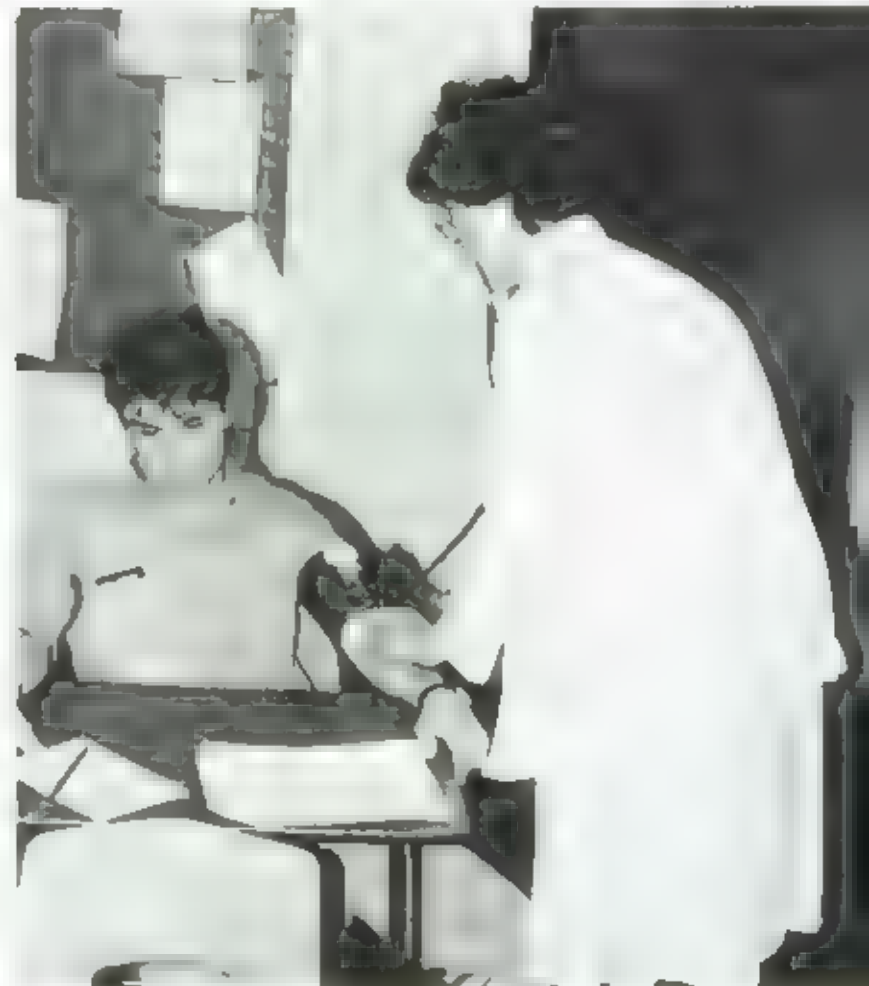

The many retreats throughout the year are an integral part of this process. The Leadership Workshop Retreat, which takes place before the beginning of school, brings together many of the school's leaders for a weekend of reflection (in Rosaryville). Senior retreats, which take place between August and March, follow the

same weekend format. Underclassmen retreats take the form of Days of Recollection during which students gather in discussion groups and celebrate Mass at the end of the day

# School Drives

## Students Give To The Needy

The Jesuit student body demonstrated its generosity and care for others during this school year's Thanksgiving Drive and Blood Drives.

In the Thanksgiving Drive each homeroom is assigned several needy families to feed for the holidays. Students respond by donating canned food, money (for milk, a chicken and potatoes), and time. The students from each homeroom then deliver the baskets - personally - to needy families in the New Orleans area.

In the Blood Drives, students and faculty members literally gave of themselves in the form of a pint of

blood in order to help others. The Blood Center of Southeast Louisiana came to Jesuit in the fall and at that time students and faculty donated 36 units of blood. In the spring, Southern Baptist Hospital conducted the Blood Drive and 45 units of blood were donated.

# Senior Beach Day

## Seniors Celebrate Last Day Of School

The Class of 1986 went out in grand fashion on May 2 as they celebrated the annual Senior Beach Day.

During the lunch period the seniors assembled in the back yard, donning their best Hawaiian garb and bringing their favorite barbeque foods. While some seniors barbequed, others enjoyed throwing frisbee, listening to stereos and water sliding.

As many underclassmen thronged along the fence admiring the freedom of their elders, the seniors along with some faculty members enjoyed their last day of school.

# Senior Talent Show

## Elise Berner Steals The Show

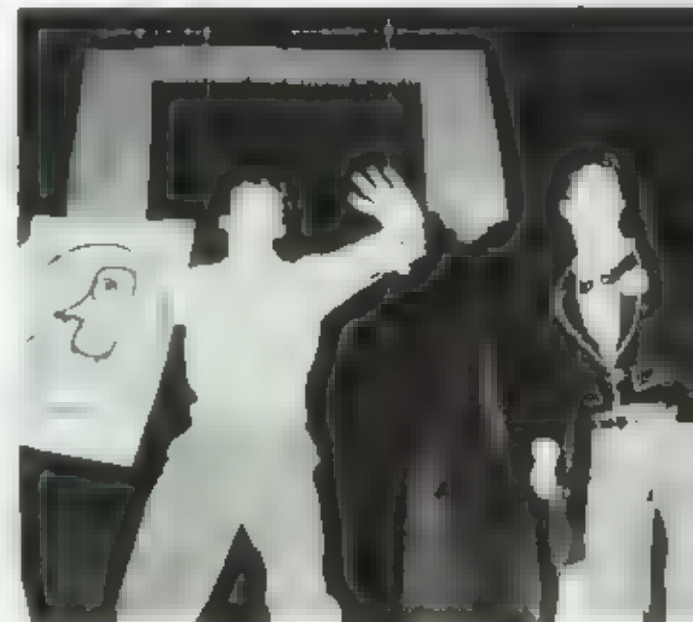

The Senior Class of 1986 held a highly successful Talent Show on April 17 this year. The purpose of the show was to raise enough money to pay for the statue of the Blessed Mary which was placed on the facade of the newly dedicated Roussel Physical Education Center. The senior class decided to make the contribution and they felt that the Talent Show would be a creative way to raise money. Led by organizers Mrs. Mary Bellone, Dr. Spitzfaden, and Mrs. Barbara Westfield, a total of sixteen acts performed for the almost full house in attendance. Over \$1,000 was raised and a check was presented to Fr. Tompson for the statue.

Elise Berner, from Dominican, won the \$100 prize for the best performance.

# Seniors

The Blue Jay. Originally the only award given at Jesuit High School was a Blue "J" on a white sweater. The "J" originally stood for the Jesuits' school, similar to the Jesuits' Church on Berne Street. Many people in New Orleans still refer to Jesuit High as Jesuits'.

The class of 1920, when they pub-

lished the annual, associated the Fighting Blue Jay with the Blue "J". Walt Kelly, the cartoonist who created the comic strip "Pogo", on a visit to New Orleans during the school year of 1954, created the Blue Jay we now have; the student body named the Blue Jay, Jayson.

# Ring Mass And Dance

The senior class officially began its last year of high school with the Ring Mass on September 7, 1985 at 5 p.m. in the Chapel of the North American Martyrs. The mass was celebrated by Fr. Tom Hoffman, S.J. He was assisted by Chris Wright and Bobby Malachias who delivered readings. Fr. Tompson distributed the rings to each senior. He was assisted by Mr. Andrew Schiro. After the mass the seniors celebrated with a Ring Dance at the Bayou Plaza Hotel. The Cat Band provided music. After these events the seniors began their last year at Jesuit High School.

# Senior Prom

The Senior Prom, held on May 16 at the Hilton, sent the Class of 1986 out with a bang. The Cat Band, a favorite of the seniors, provided music. Inspired by the occasion and the music, the senior class danced, sang, and made merry for four hours in what proved to be perhaps the best dance of the year.

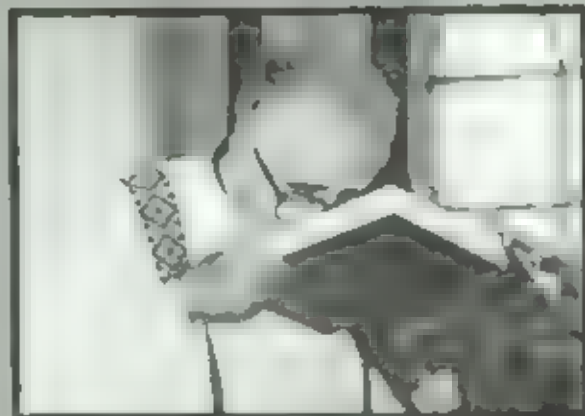

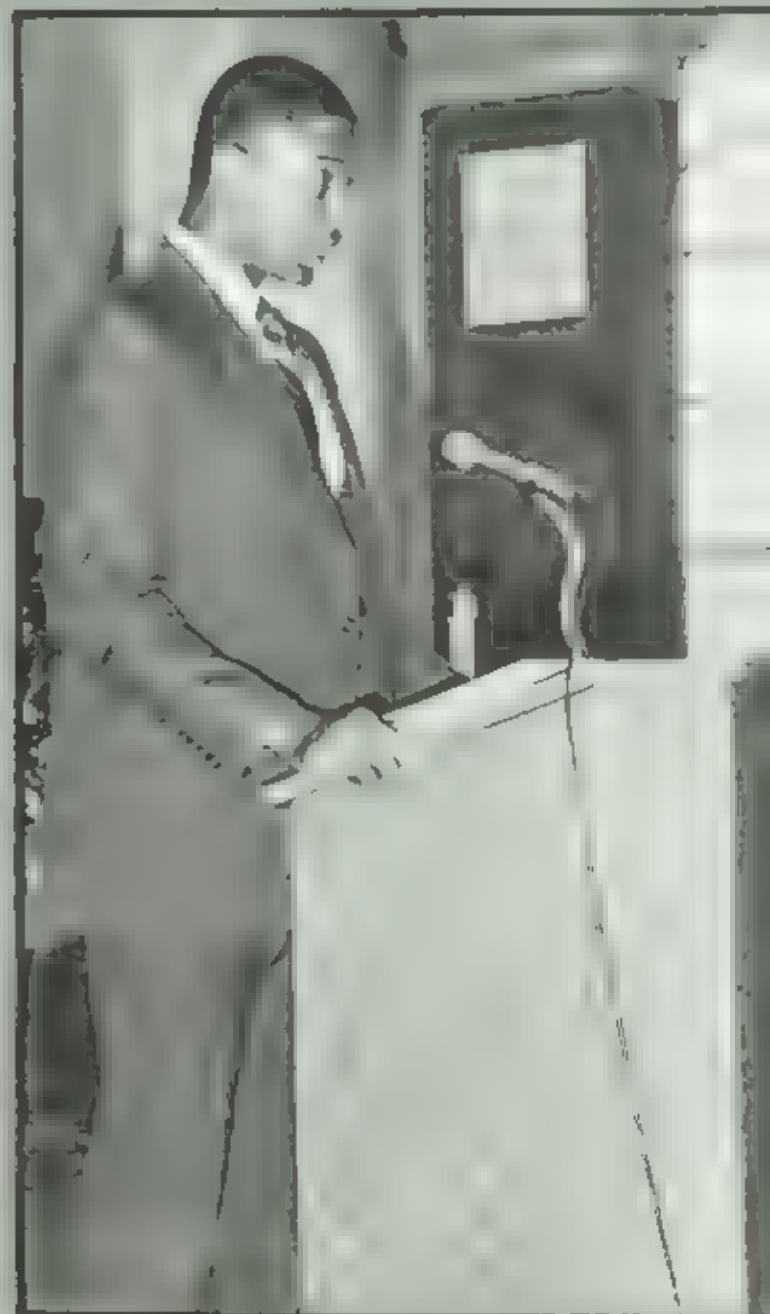

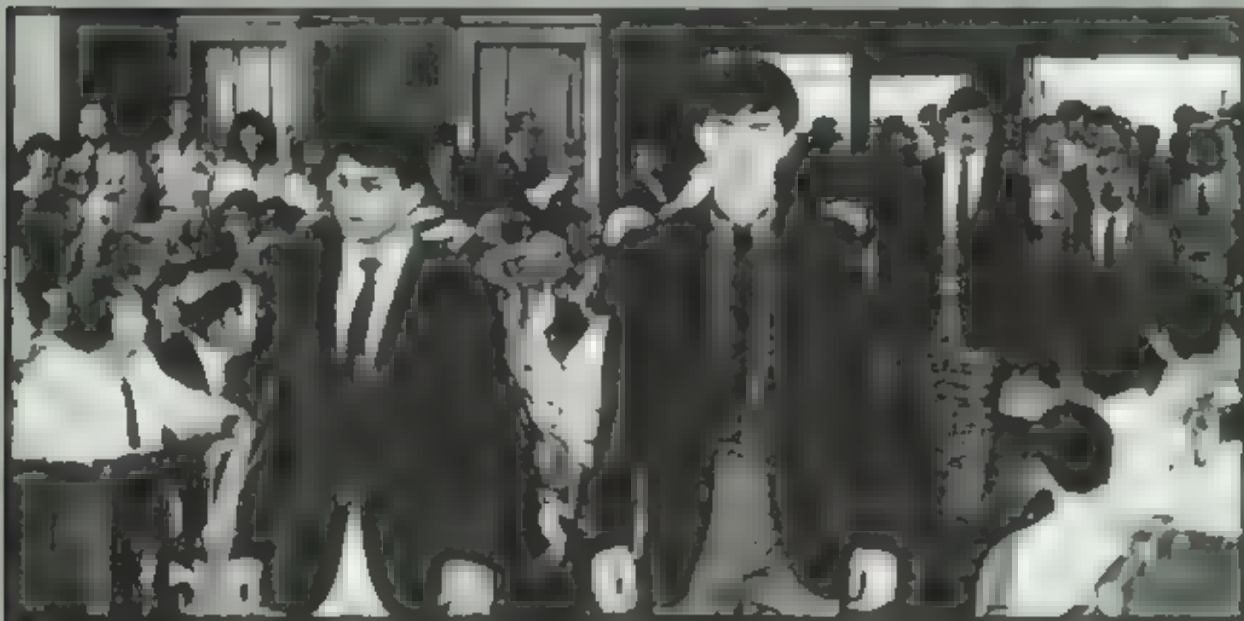

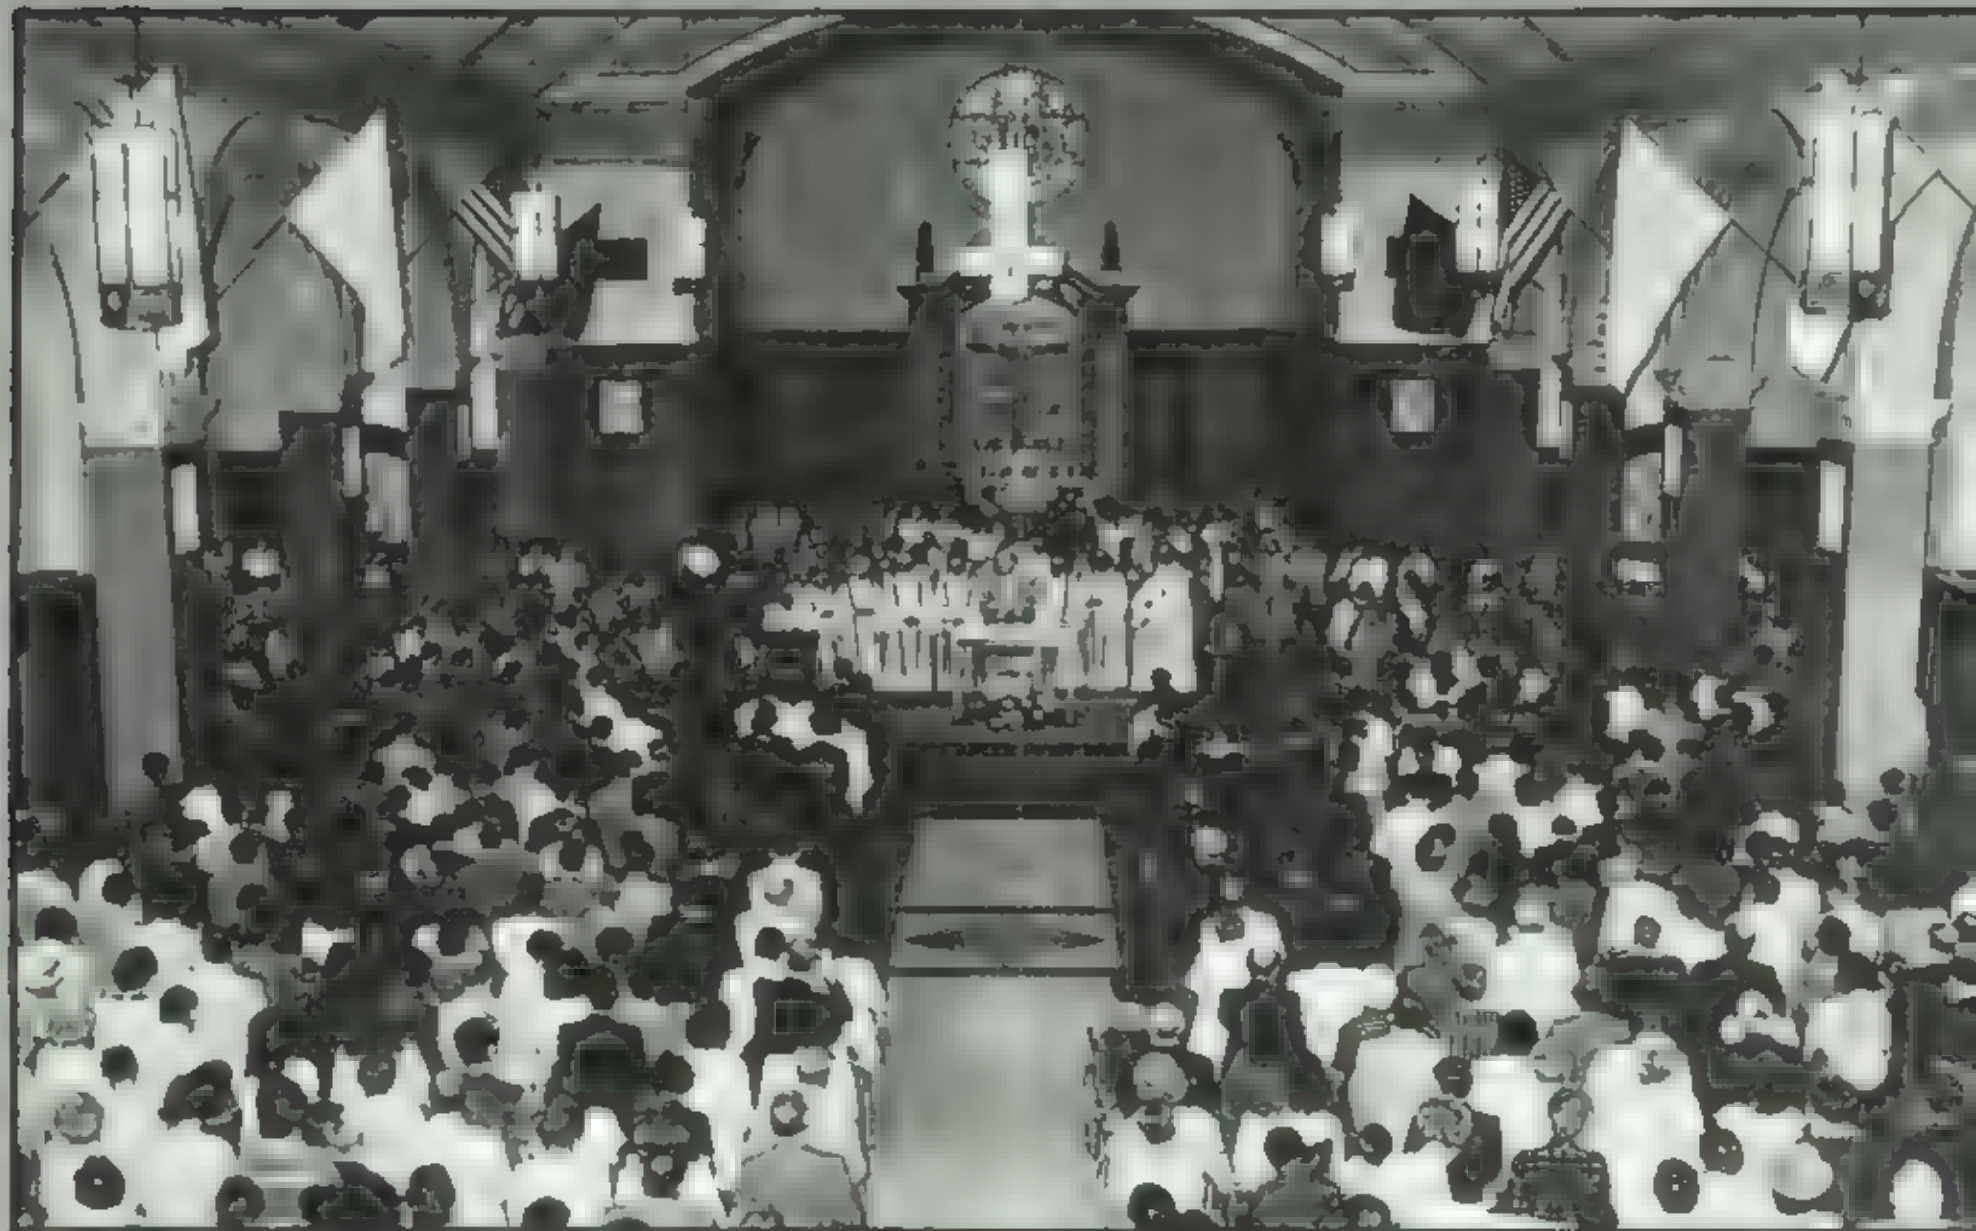

The Cat Band, a favorite of the seniors, provided music for the Senior Prom.

# Baccalaureate Mass

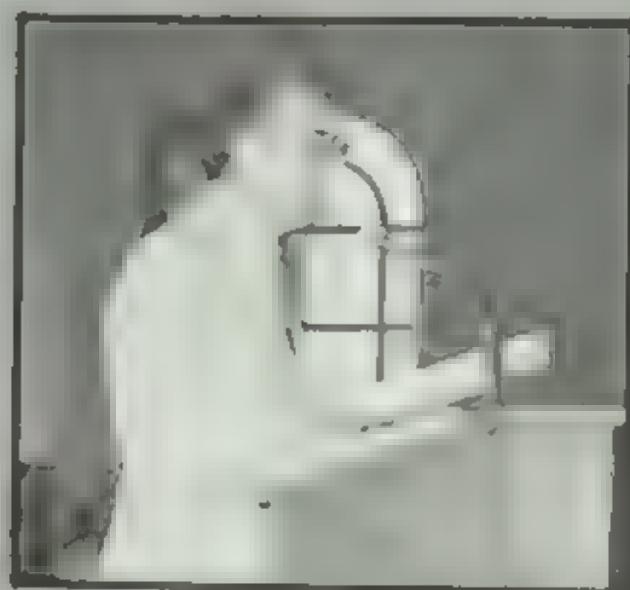

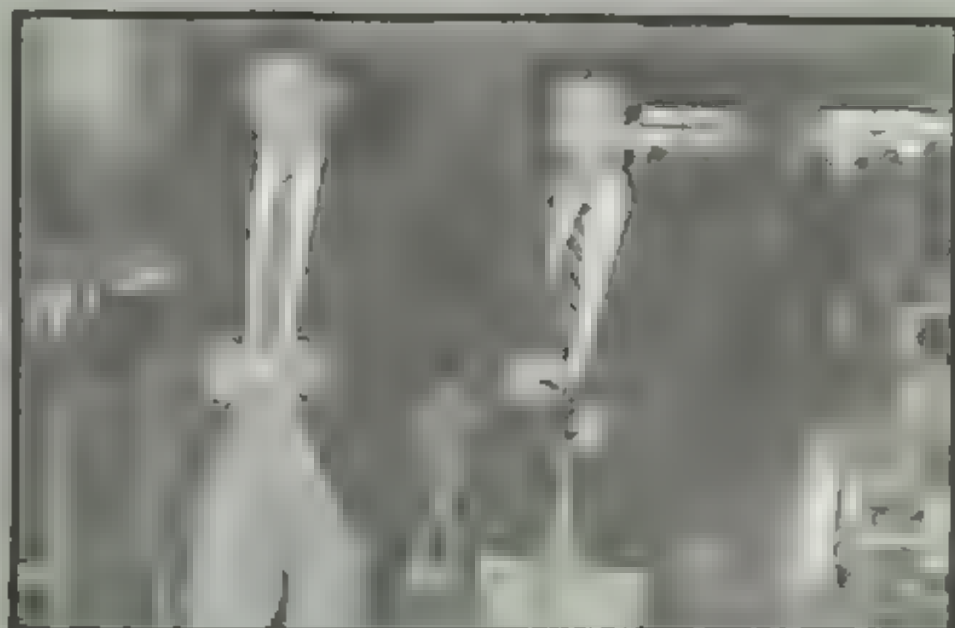

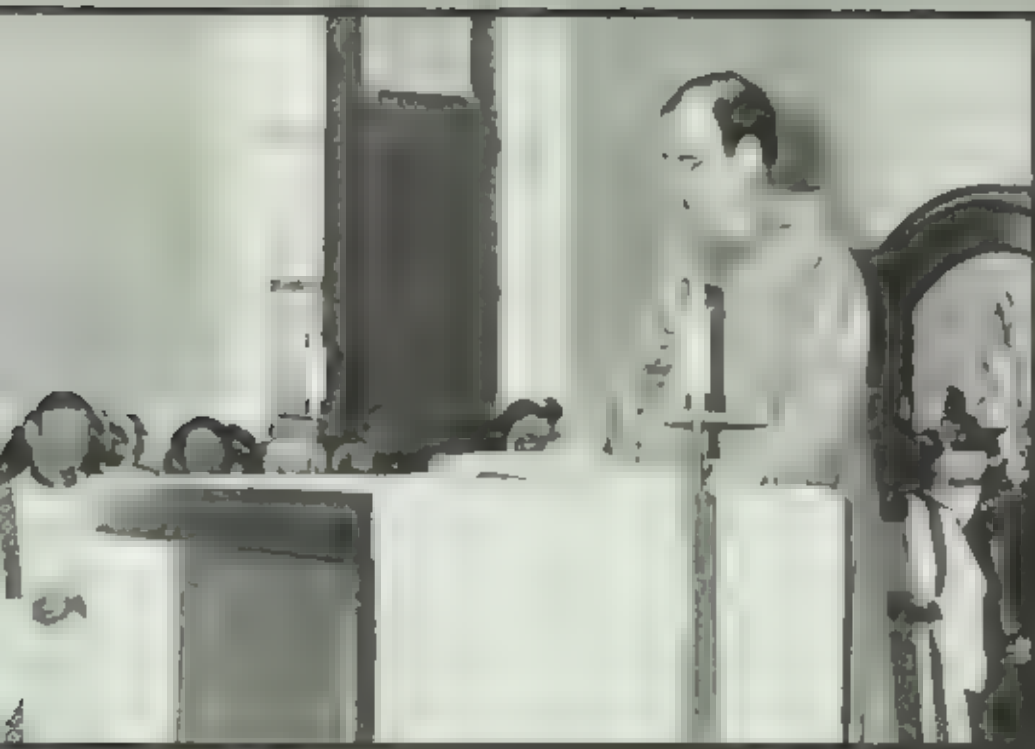

The Seniors, faculty, family and friends assembled in the Mass Center. David is David, and Maria is Maria.

The Baccalaureate Mass for the Class of '86 was held on May 18 in the Chapel of the North American Martyrs.

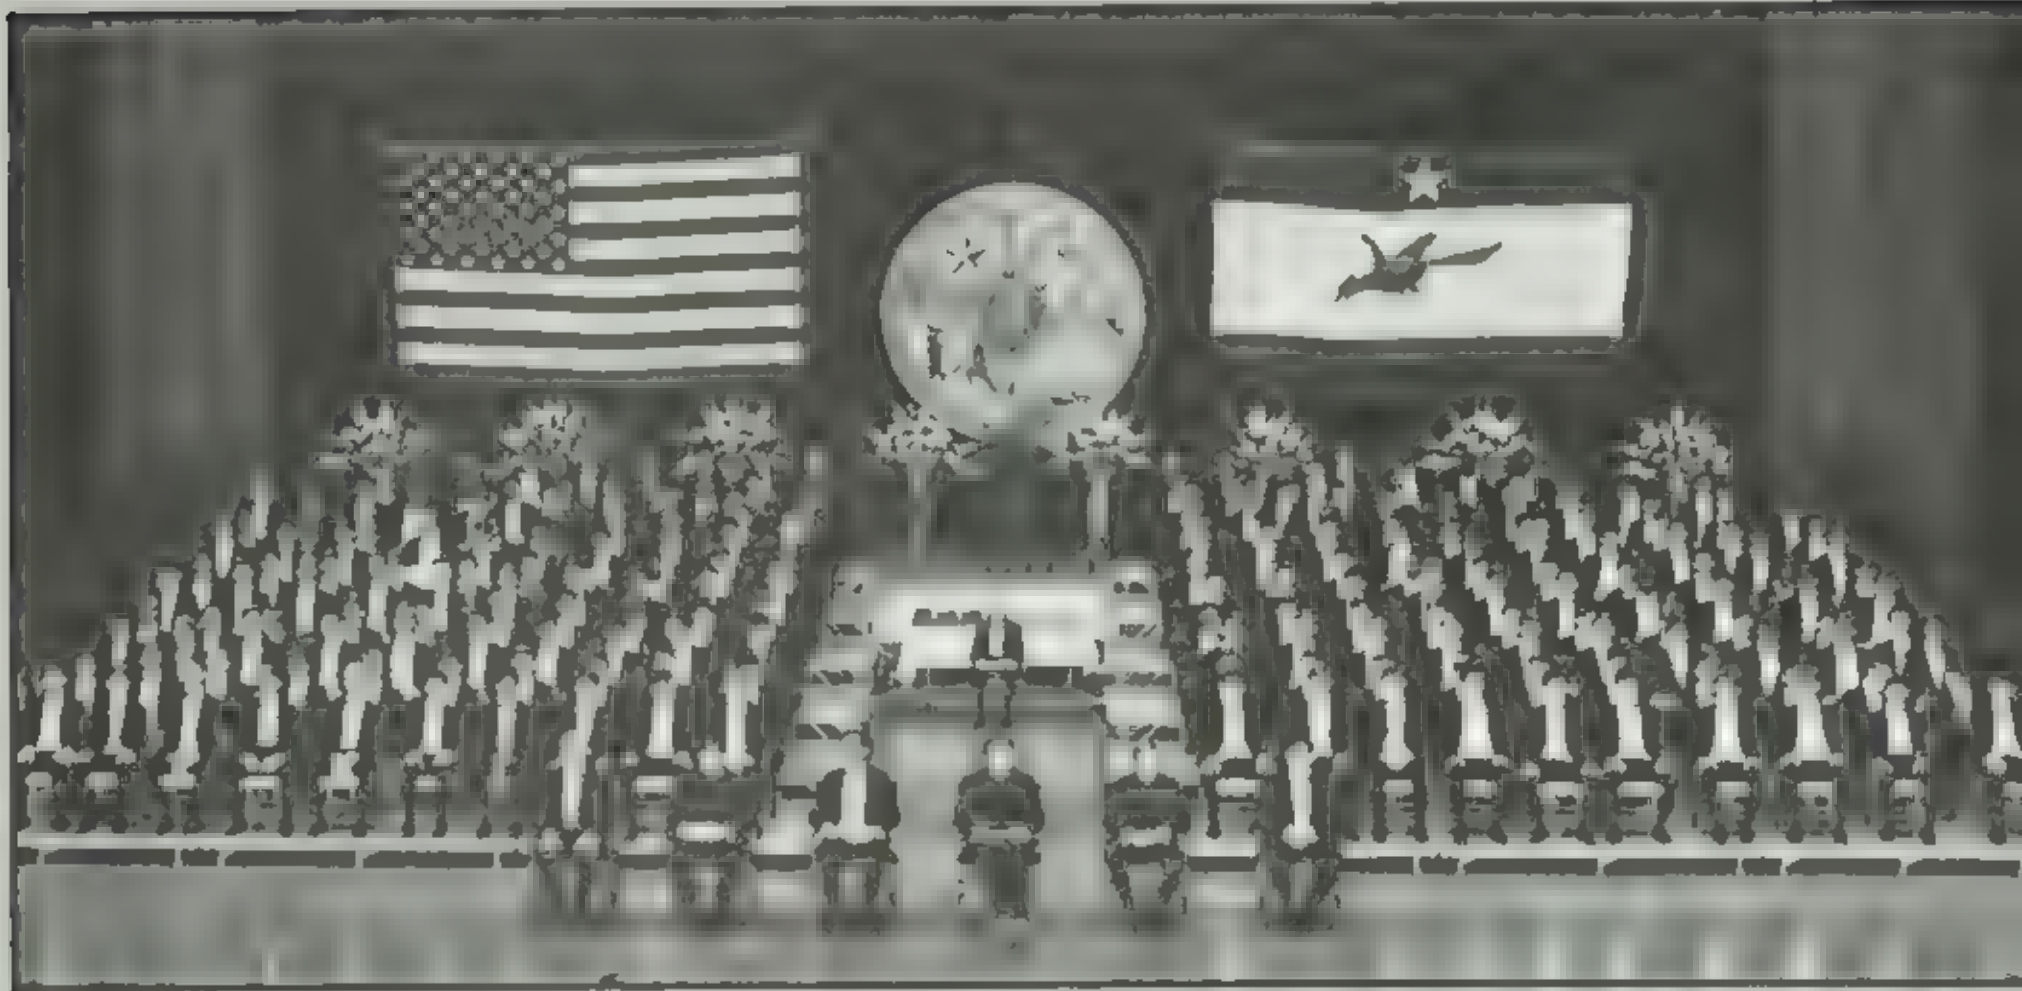

Family members, friends, and faculty members packed the chapel in order to bid farewell to the seniors who were attending their last mass as Jesuit students. Music at the mass was provided by the Jesuit High School Band and a faculty choir. Rev. Harry W. Tompson, S.J., the main celebrant, congratulated the Class of '86 and urged them to continue being leaders and men for others.

Following the mass, seniors, family, friends, and faculty members congregated in the cafeteria for a reception.

# Commencement Exercises

## Ex Aequo Valdictorians

Sean P. Ryan

Jorge J. Bravo III

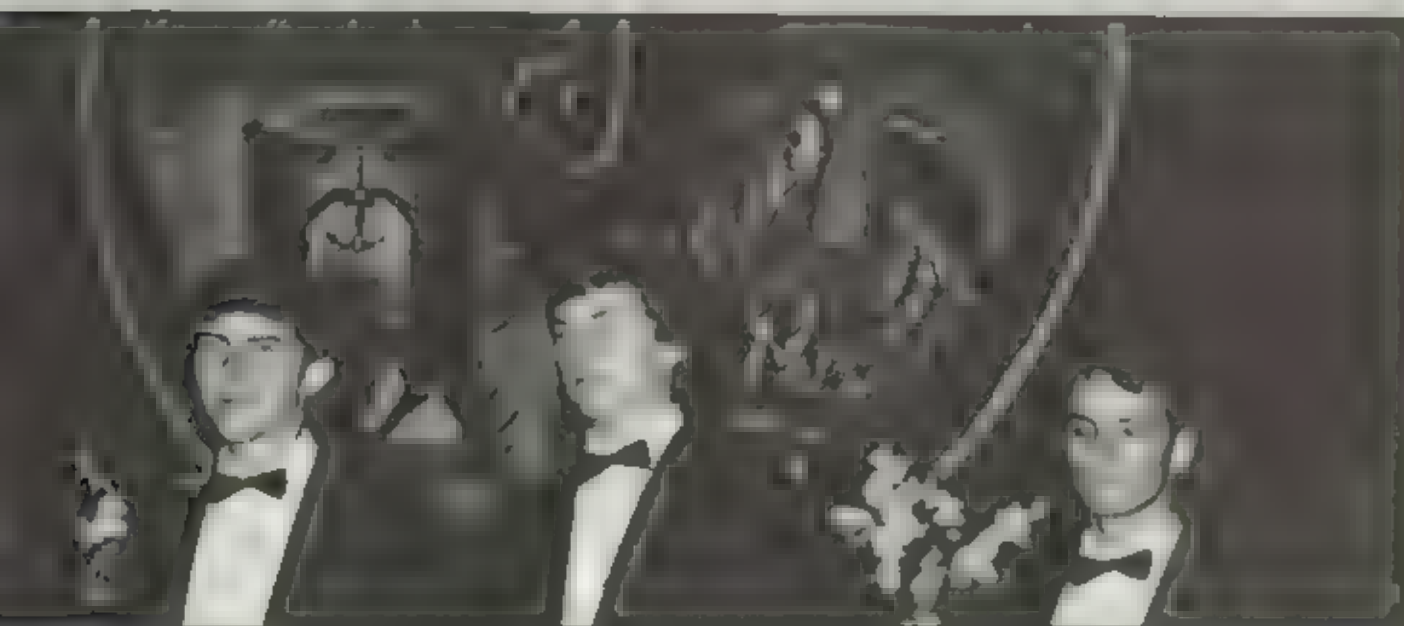

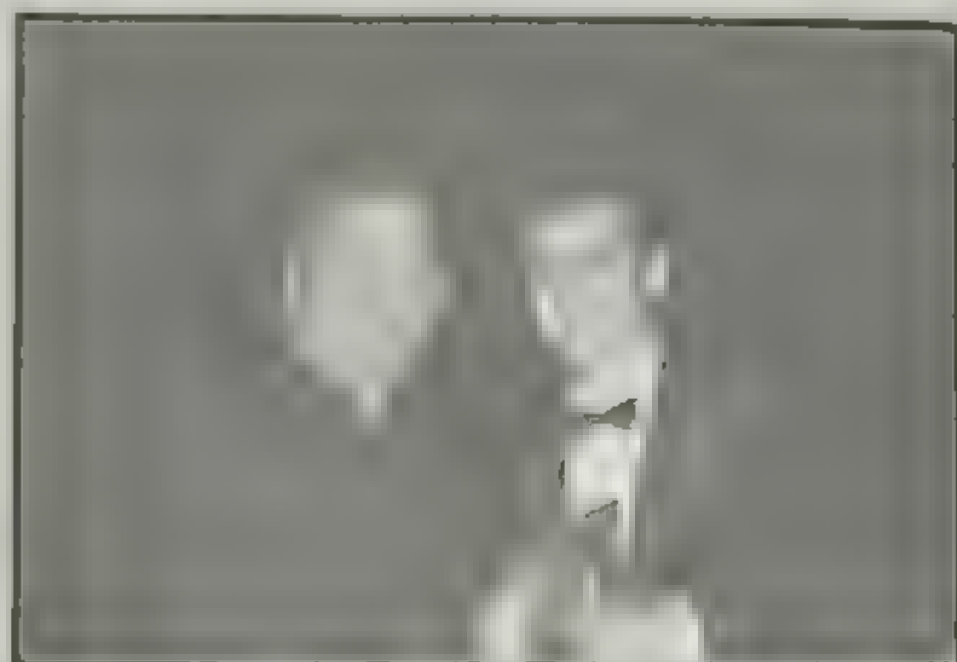

The one hundred and thirty-ninth commencement exercises provided a memorable conclusion to the Jesuit career of the Class of 1986. Conducted on May 23, the exercises followed the traditional, concise format which focused attention on the graduating seniors throughout the ceremony.

Following a brief invocation, the salutatory address was delivered by co-valedictorian Jorge Bravo. He spoke about the many gifts — visible and invisible — which his fellow graduates possess. Then came the presentation of special awards. Jimmy Huck merited the Reverend Father President's Award. The other two major awards, the Harry McEnery Jr. Me-

morial Plaque and the Father Pedro Arrupe Award were earned by Glenn Melville and Craig Todaro, respectively.

In the valedictory address which followed, co-valedictorian Sean Ryan spoke of the necessity of thought and its relation to action and to humanitarianism. The last section of the ceremony was the conferral of diplomas. A total of 214 seniors graduated on stage.

On the whole, the ceremony was not only an appropriate end to the senior class's term at Jesuit, but it was also a fitting beginning for their journey into the future.

The Wolves and The Pot. The name of the man who founded the Society of Jesus, the Jesuits, is Ignatius Loyola. This symbol is taken from his coat of arms; the name Loyola comes from the Spanish lobos (the wolves) y (and) olla (the pot).

Bottom Row (left to right): Laurie Kane, Stephen Rareshide, Michael Becker, Tristan Greene, Craig Lipinski, Brian Casperich, M. S. N. Severe, Jaimevadi, Niel Dyhrkopp, Vincent Hummel.

Under the leadership of Mr. David Wright, Jesuit's Academic Games players once again competed successfully, both locally and nationally, during the 1985-86 school year.

Players met weekly throughout the year to compete with other local schools in the Greater New Orleans Academic Games League. Competitors participate in four games: On Sets (in the fall), Equations (in the spring), Progranda, and Mr. President.

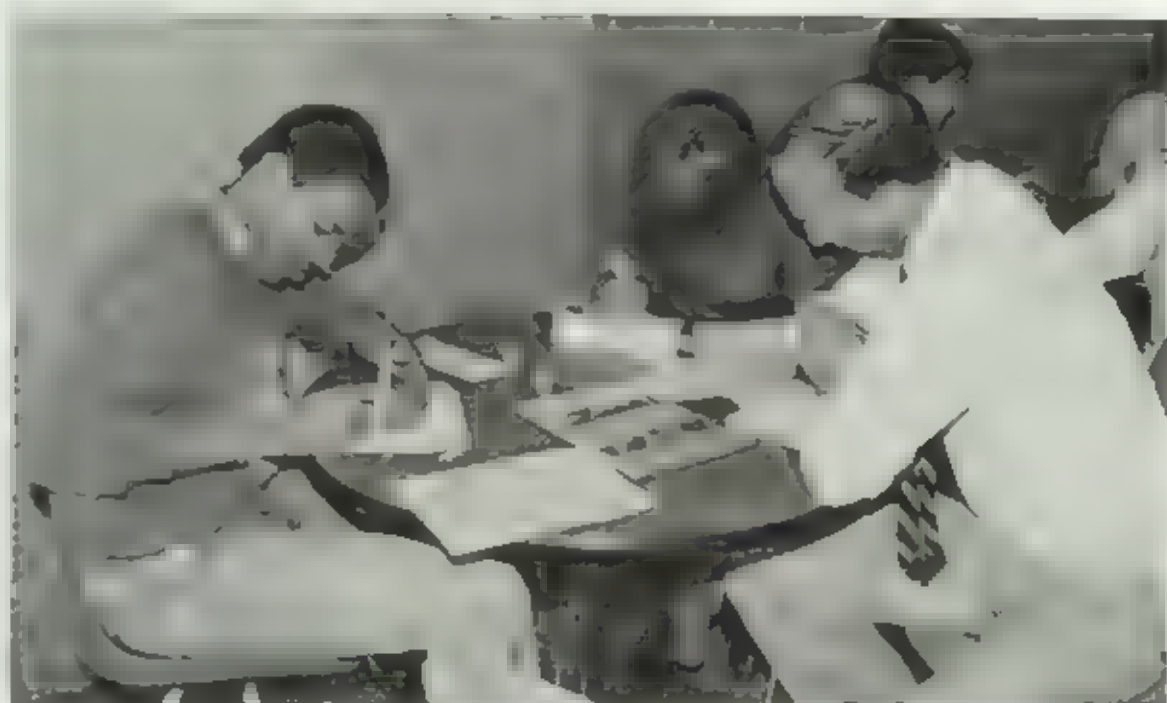

After sweeping through the local league, the Blue Jay team sent several players to the National Olympics in Gatlinburg, Tenn. Tristan Greene, Steve Van Geffen, Michael Becker, Stephen Rareshide, Vincent Hummel, Billy Adams, and David Dooley all qualified for the National Tournament by participating in all four games as well as finishing in the top 10 percent of either On Sets or Equations.

The national competition proved to be a bit more formidable. However, the Jesuit team posted an impressive finish, capturing 4th place in Propaganda and 6th in On Sets and Equations. Individually, Vincent Hummel placed 5th in On Sets.

With all the national qualifiers returning next year, Jesuit can look forward to even greater success in its 18th year of Academic Games.

Also contained in the *Blue Jay* were feature articles, Blue Jays of the Month, editorials, and letters to the editor.

This year's editorial staff consisted of Daniel R. Shea and Bernie Cook, Co-Editors; John P. Fleming, Assistant Editor; James McCormick, Features Editor; and Jimmy Redmann, News Editor.

In order to prepare for the approaching school year, eleven yearbook staff members attended the Josten's Summer Yearbook Workshop. During this three day program held at the Howard Johnson's in Metairie, members learned the skills necessary to put together a yearbook.

Using the skills they learned on the first day, all staffs present at the workshop drew up page layouts to be judged. Bringing home one of the four "Golden Galleon" awards was the Jesuit Staff.

Also at the workshop, staff members met with a professional artist, at this meeting the idea for the cover was born.

Following the workshop, school shortly began bringing with it page deadlines.

The first section done was the color section which included the dedication of the 1986 *Blue Jay* to Mr. John Brumfield.

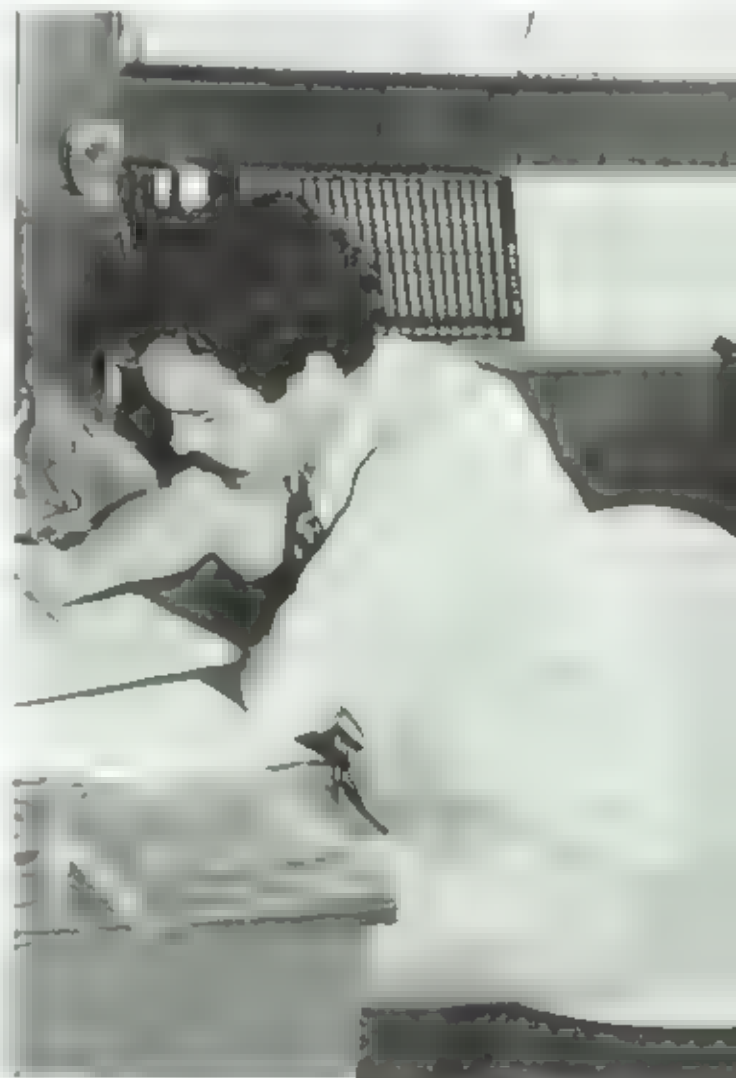

Many Saturdays during the school year and many week days after school was out were devoted to putting together the yearbook in order to meet

the five 52 page deadlines which began in March. Work continued into the month of June with the last deadline on June 16.

The 1986 *Blue Jay* editorial staff was: Daniel Shea, Editor-In-Chief; Tommy Moran, Assistant Editor-In-Chief; Jerry Haddican and Jimmy Redmann, Business Editors; Bernie Cook, Copy Editor; Will Hamilton, Faculty/Class Editor; Joey Biggio and Matt Wilson, Index Editors; Garret Willem, Layout Editor; Michael Landry, Organizations Editor; Kevin Brouphy, Scott Tonguis, and David Watermeier, Photography Editors, and Sean Ryan, Sports Editor.

# Blue Jay Band

The band harmonizes as the Jayettes dance

Band is one of the few extra-curricular activities which demand year-round participation. Work begins in the summer when band members assemble to choose and practice music for football season. Individuals must mold to form sections, and the various sections — low winds, middle voices, percussion, trumpets, and upper woodwinds — must blend to form a band.

Then, in August, comes band camp, one week of intense marching and playing intended to enhance the band's togetherness as well as its skill.

During football season, the band's primary role is to entertain and incite the crowds at pep rallies and games. Yet a second goal, equally as important, is also present: to prepare a marching show and compete successfully in a marching festival. This year, the Blue Jay Band took strides toward this goal in two marching festivals. On a rating scale from one to five, with one being the best, the band achieved the following scores at the Morgan City Festival: drum major, 2; flag line, 2; drum section, 3; overall band, 3. At the District VI Festival (Chalmette) the band scored as follows: flag line, 1; drum section, 2; and overall, 2.

After football season the band diversifies into many areas: concert band, pep band, and play band. The marching band continues through Mardi Gras. This year's Christmas concert took on a unique flavor when the Blue Jay musicians combined with Dominican's band in a joint effort. The band also provided the student

body with a rare treat by performing several songs, including many Christmas favorites, for a student assembly.

Blue Jay musicians also prepare for a concert festival around the turn of the year, as well as for the annual spring concert. At concert festival this year (Destrehan), the band received the following ratings: for prepared pieces — 2, 2, and 3; for sightreading, 1.

The Jesuit Band came out of its annual spring concert smelling like a rose. The full concert band, the intermediate band, the jazz band, a brass ensemble, and a percussion group all produced fine performances. After the spring concert, the band, minus the seniors, prepares music for the Baccalaureate Mass and Graduation.

Several band members attained individual honors in 1985-86. Sal Longo (saxophone) was selected to the All District Honor Band, Justin Angeles (French horn), Lewis Coleman (trumpet), and Chip Hellmers (trumpet) were selected to the All State Honor Band, which automatically qualified them for the All District Band. Many of the younger band members also achieved individual awards, demonstrating the future potential of the band program at Jesuit.

This year's band was again led by the devoted direction of Mr. Karl Hymel. Providing leadership on the student level were Lewis Coleman and Ayman Naseri, drum majors; John Appel, lower brass lieutenant, middle voice lieutenant Sal Longo, percussion lieutenant Mike Richard, Chip Hellmers, upper brass lieutenant and lower woodwind lieutenant Sean Ryan.

In short, for every season of the year and for every sporting event, the Blue Jay Shop has clothing and spirit items for avid Jesuit fans of all ages.

# Bookstore

(L to R) Michael Lewis, Roger Boneno, Br. Dardis, Peter Lomasney, Dean Cochran, Pedro Espinoza

Textbooks, workbooks, and novels are an essential need of students and faculty members at Jesuit; however the state does not provide many of these books. Therefore, the Blue Jay Bookstore fills a critical need, and the people who operate the store do a fine job of meeting the students' needs.

The bookstore is managed by Brother William J. Dardis, S.J. Thanks to his work and the student workers, students can readily and conveniently purchase the books for their classes.

Jesuit students, under the direction of moderators Mr. Mark Fucello and Mr. David Prados, compiled another excellent issue of *Calliope* this year.

*Calliope*, the school's literary magazine, annually publishes poems, short stories and artwork submitted by students from each grade level. This year's student editorial staff included: Jim McCormick, Jerry Glas, Havard Albright, Dean Cochran, Craig Ernst, Jimmy Huck, and Craig Todaro.

Prize winning entries included Artwork by Michael Lewis (1st) and Shane Sellmann; Poetry by Craig Todaro (1st) and Clay McGovern; and

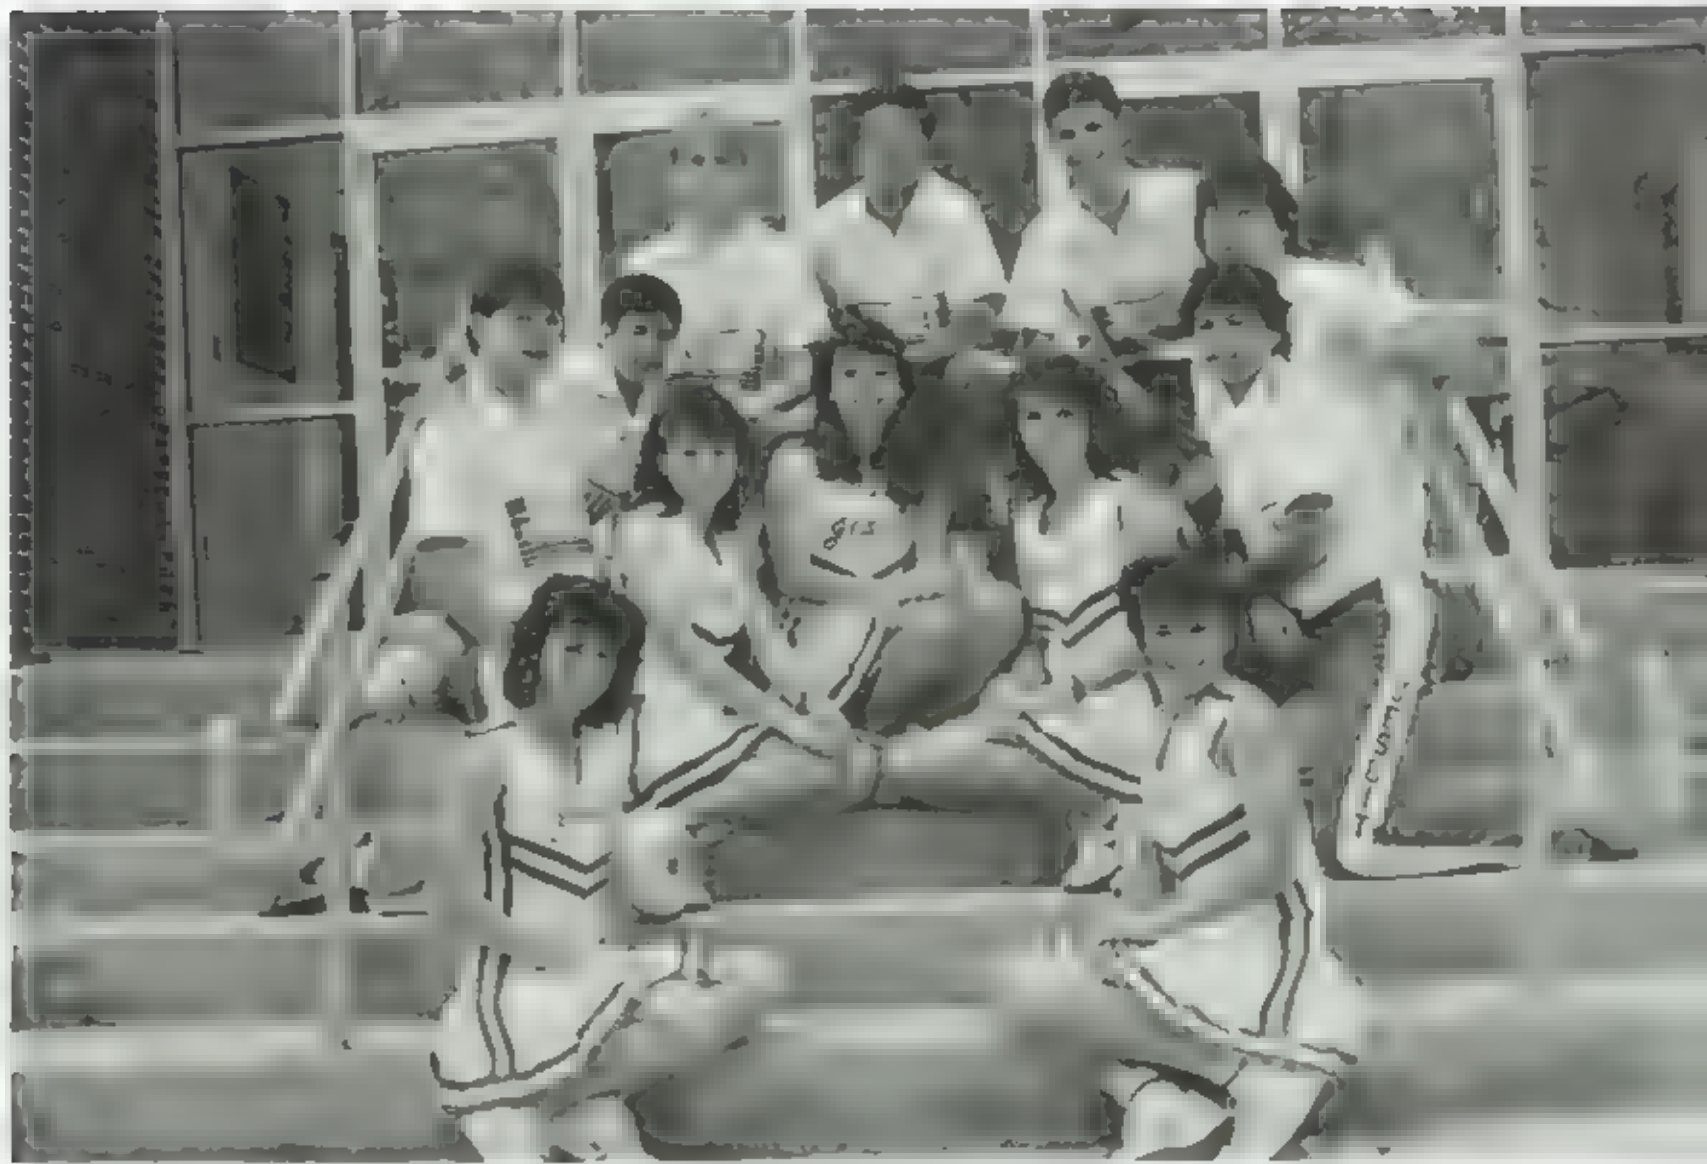

Prose by Mark Miester (1st) and Craig Ernst and Leonard Young.

*Calliope's* purpose is to encourage students to exercise their creative writing talents by providing an opportunity for publication.

# Cheerleaders

Cheerleaders (L to R): Jennifer Breaux, Jill Curry, Becky Gandolfi, Lorraine Melito, Fran Gandolfi, Paul Spitzfaden, E. J. Woessner, Mark Calamari, Bernard Pacheco, Chris Carriere, Ty Guidroz, and William Brown. Missing: Kevin Brouphy, Michelle Heurtin, Michelle Melito.

The 1985-86 Jesuit cheerleaders, moderated by Br. Dardis, S.J., began their quest for a more spirited school year by attending the U.C.A. cheerleading summer camp in early July, 1985. With the knowledge gained from this camp, they began the school year confident of instilling spirit throughout the Jesuit community.

The squad, led by captains Paul Spitzfaden and Becky Gandolfi, cheered at all Blue Jay football and basketball games and generated excitement whether the end result was victory or defeat.

Overall, it was a great year for Jesuit events and without doubt the spirit of the school was enhanced by the contagious enthusiasm of its cheerleaders.

Back Row: Mr. John Travis, Brian Breaux, Eric Davis, Greg Yasham, Stephen Rareshide, Tristan Greene, Mark Calamari, Bill Buckley, Vincent Hummel, Darren D'Aubin, Andy Yu, Victor Fernandez, Jamie Lagarde.

Jesuit's Chess Club consists of both Chess Team members, who compete against other local high school teams, and regular members who play for the pure enjoyment of the game during the lunch period.

About 30 students participated in the Chess Club, a third of whom played either on Jesuit's A or B team in the New Orleans High School Chess League. The two teams won several matches this year, but, because of conflicting interests (debate, philelectics), they had trouble making some of the Saturday competitions and, subsequently, they missed the play-offs.

Top team players this year included: Tristan Greene, Mark Calamari, Stephen Rareshide, John Young, Mike Soileau, Matt Juge, and Brian Stevens.

The computer club at Jesuit convenes daily at lunch time to allow students who are unable to take Computer Science to have a chance to become computer literate.

The computer club has existed since 1981 when Computer Science was first taught.

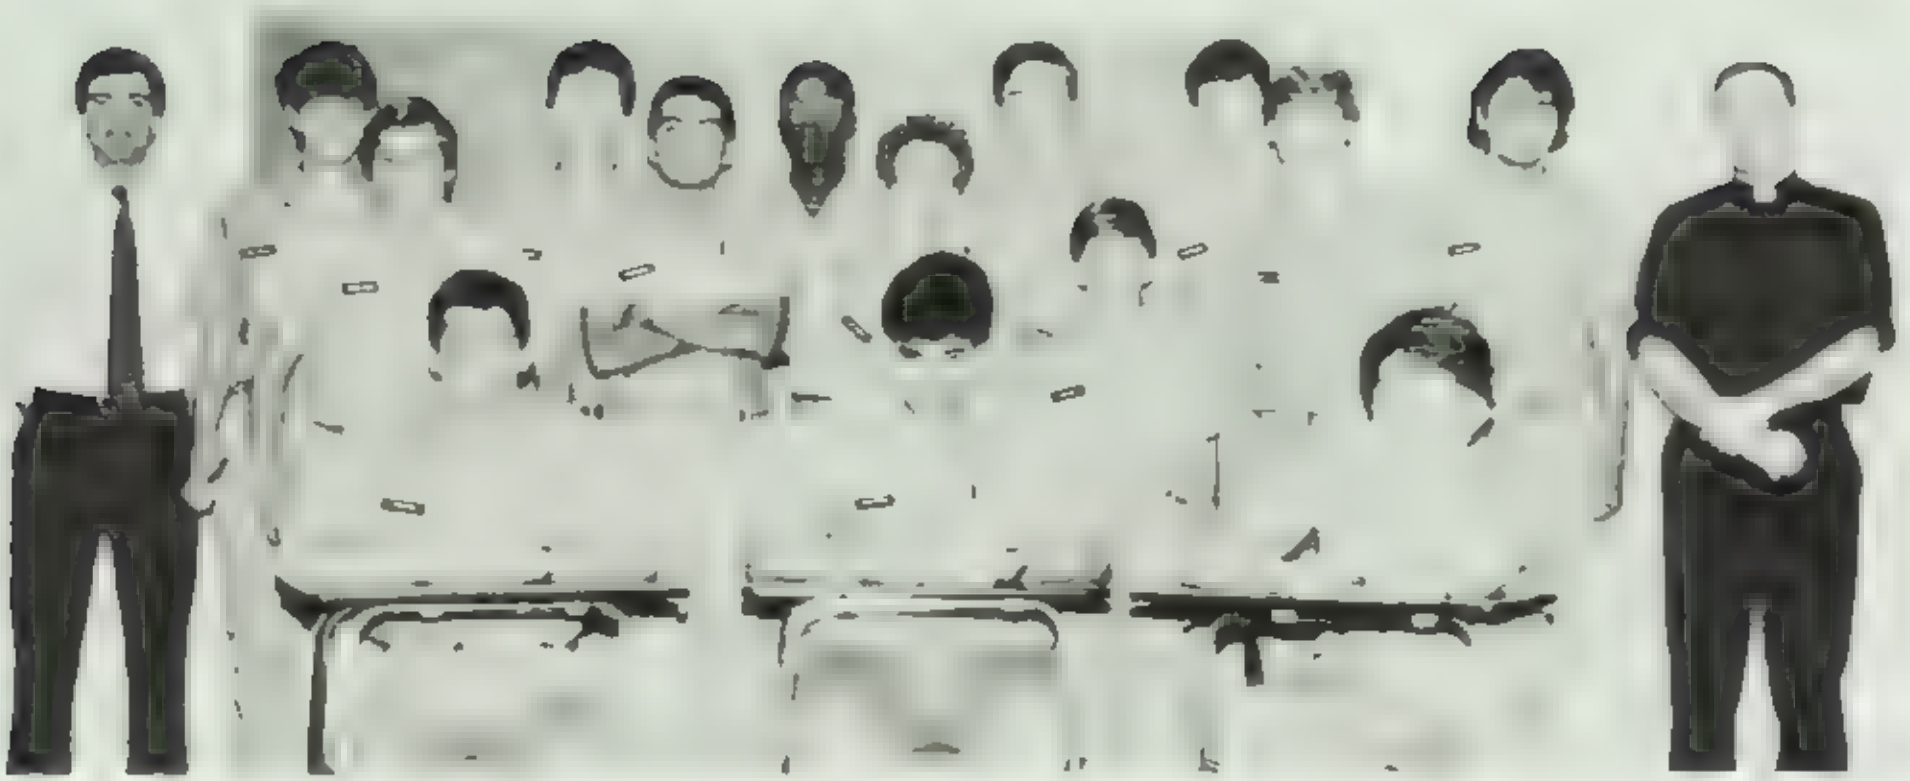

Through club sessions, students learn to use Apple software and basic computer language on one of the ten computer terminals in the computer center. Students advance from the essentials to the writing of their own programs.

The computer club was moderated by Mrs. Barbara Westerfield this year.

Jesuit High School has long been recognized for the excellence of its Speech and Debate Teams and this year's team upheld that tradition.

The Speech and Debate Team has as its primary goal the development of the members' oratorical powers. It additionally fosters the development of research and analytical skills. This year the team participated in Two Man Debate, Lincoln-Douglas Debate, Extemporaneous Speaking, Oratory, and Student Congress in the pursuit of its goals.

Jesuit's top debaters traveled to Harvard, Princeton, Northwestern and Emory Universities, as well as to the Bronx High School of Science in New York City this year. In a trip to Dallas Jesuit, the team made a seven trophy sweep, including the first place sweepstake sword. The team also was highly successful within the state of Louisiana.

The fact that Jesuit sent five successful student debaters to the Catholic Forensic League National Tournament in Baltimore this year is a final testimony of the success of this organization.

This year's officers were: David Patron, President; Jorge Bravo III, Vice-President; and Neil Dyhrkopp, Secretary. The team was guided by faculty moderators Mr. Mike Major, S.J. and Mr. Brian Connolly, S.J.

The Jesuit French Club, Les Copians, was begun in order to encourage French students to experience French culture through interaction with other schools' French clubs and through visits to local areas of French heritage.

This year, Les Copians tasted fresh French sandwiches and pastries at La Madelaine in the French Quarter and real French cheese and "a taste of Paris" brune log at their annual Christmas party.

Four of this year's members also went to the French Club Convention in Baton Rouge where they learned French songs, tasted French foods, and met members of French clubs from all over the state. Members also competed for foreign exchange scholarships and certificates of merit.

The club's success this year was primarily due to the enthusiastic participation of its members. The club's officers were: Jimmy Redmann, President; Kevin Reid, Vice-President; and Van Falgout, Treasurer. Mrs. Paula Bernard was this year's moderator.

In the Spring of this year it was announced that courses in German would be dropped from the curriculum. Hence, the German Club has been disbanded.

The Jesuit Intramural Bowling League completed another successful year at Mid City Lanes. The league, consisting of 12 teams, competed for 20 weeks throughout the school year. From the 12 teams the top 8 advanced to the playoffs. At the end of the regular season the all-senior team, Te-Ta-Te-Ta-Ta, was in first place, but they were eliminated in the first round of the playoffs. Advancing to the field of four were the Jonads, Odell and the Medas, Bowlers' Anonymous, and Awesome Foursome. The underdog Jonads, consisting of Joey Biggio, Mark Calamari, Skip Dauterive, and Jim Redmann, captured the league championship. Odell and the Medas captured 2nd place followed by Bowlers' Anonymous and last year's champion Awesome Foursome.

Te-Ta-Te-Ta-Ta took the League's High Team Series Award with 1777

and the Ball Slammers captured the High Team Game Award with a 647. In the handicap division Team X captured the High Team Series with 2528 and Geta Rope the High Team Game of 894.

Individually, Tommy Moran dominated the league by taking the High Series Award with a 614 series and also the league's High Average Award for the third straight year. Dave Gupta took home the High Handicap Series Award with a 711, as well as being the league's most improved bowler with +23. Sophomore Todd Bourgeois captured the High Game Award, while Paul DeTrie won the High Handicap Game Award with a 275.

# Intramural Sports

Intramural Referees

The 1985-86 Intramural Sports program kept up the fine tradition of providing every grade level a competitive lunch time league of football, basketball, and softball.

The season provided many moments of excitement and frustration. For the first time ever, the junior class beat the senior class in every sport. The junior homerooms which triumphed were Mr. Knight and Mr. Major's homeroom, 219, and Ms. Tomeny's homeroom, 403.

The sophomore level was dominated by Mr. Travis's homeroom, 222, and Mr. Prados's "Mad Dogs," 224. The freshman level was the only evenly contested league, with a different champion in every sport. Ms. Kreller and Coach Briner's homeroom, 413, completely controlled the pre-freshman level.

For the graduating Class of 1986, Fr. Roca, Fr. Schiro, and Mr. Fecas led their homerooms to the top of the ladder.

The Intramural Sports directors were Gordy Rush, Brian Grenrod, and John Fitzpatrick. This year's faculty moderator was Mr. Timothy Powers. Outstanding referees throughout the season were: Pat Al-

# Mu Alpha Theta

Mu Alpha Theta is a national honorary Mathematics club which seeks to promote an interest in mathematics. Any student who has completed Geometry with an overall B average in math is eligible for membership. This year, Jesuit's club had 74 members.

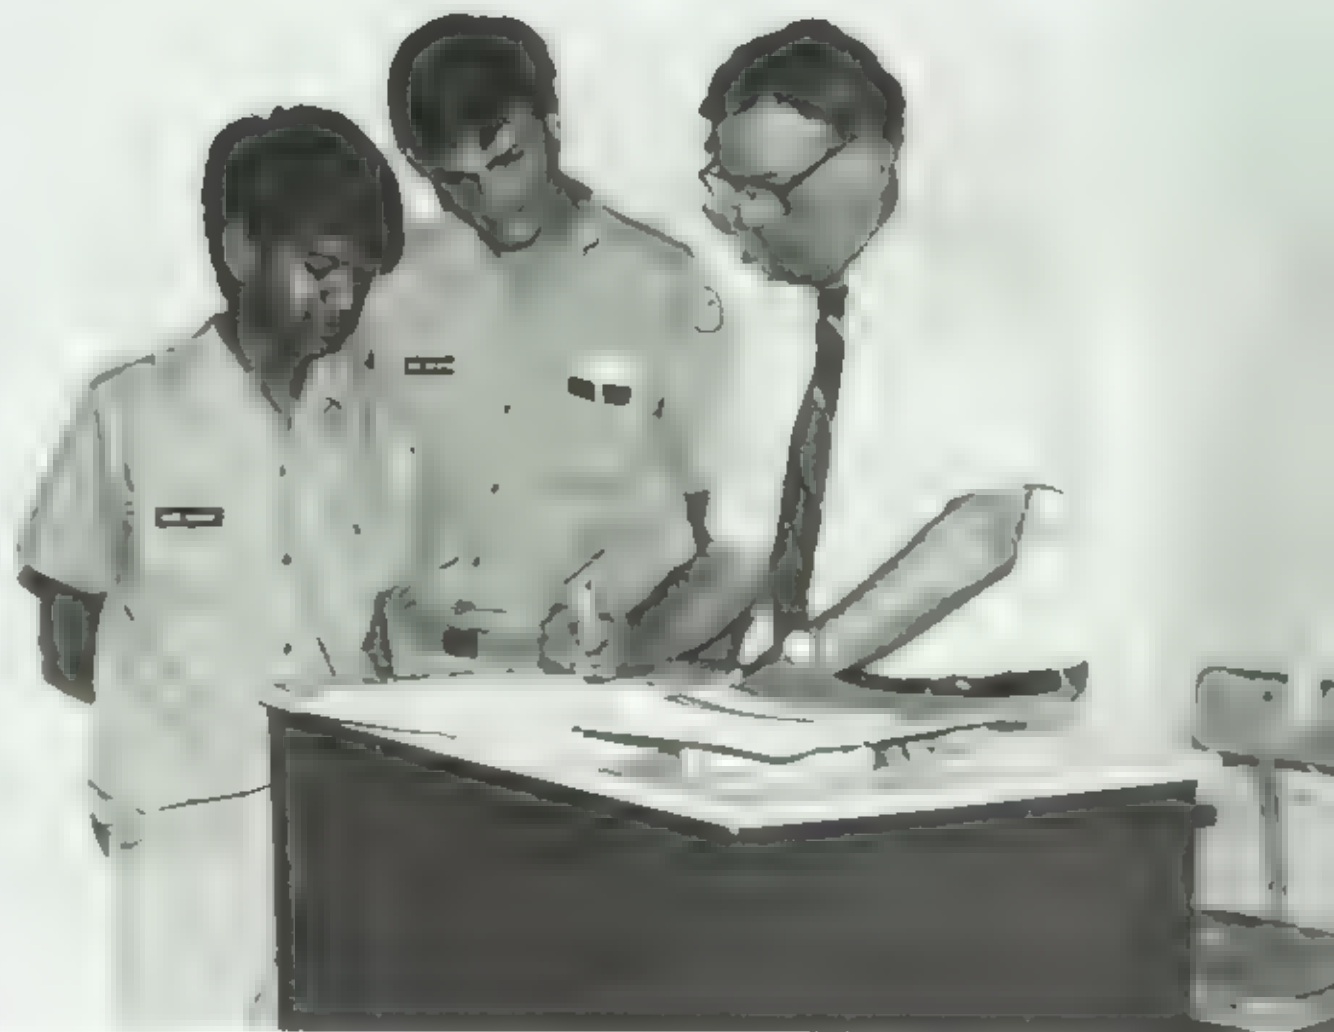

During the school year there is a District meeting held each month and in March the State Convention is held in New Orleans. The National Convention is held during the summer.

Jesuit's chapter of Mu Alpha Theta successfully competed in this year's District competition. They also competed in the St. Mary's Dominican Invitational Tournament in November. The highlight of the year was at the State Convention held in March at the Hyatt Regency Hotel in New Orleans. Jesuit placed 6th in the sweepstakes. However, the All Round Team of Mark Calamari, Stephen Rareshide, Tristan Greene, and Neil Dyhrkopp placed 1st. Jesuit teams placed 5th and 9th in Senior Ciphering and the Equations Team placed 5th. Individual members performed well and Jesuit's team placed 5th in the Interschool Test.

In the Senior Scholastic Test, Stephen Rareshide placed 3rd and Danny Camacho 9th. In the Advanced Mathematics Test, Danny Camacho placed 1st and Ronnie Ventola 2nd. In the Calculus Test, Ryan Balot placed 3rd and Sean Ryan notched 10th. In Advanced Computation Jay Dardis placed 4th. In Geometry, Stephen

Lundgren placed 5th. In the Junior Scholarship Test Mark Knower placed 7th. In Backgammon, Chris Carriere placed 3rd and Jesuit's team placed 5th in the Interschool test.

Jesuit's Mu Alpha Theta chapter is moderated by Mr. John Brumfield.

Jesuit High School's tradition of academic excellence continues to produce results. Twenty-three Blue Jays were named semifinalists in the National Merit Scholarship competition this year.

It was the third year in a row that the number of Jesuit students named semifinalist rose. There were 19 last year, 17 in 1983, and only 9 in 1982.

This year's semifinalists are: Albert F. Babin, Ryan K. Balot, Joseph R. Biggio, Jorge J. Bravo, James T. Busenlener, Mark E. Calamari, Christopher C. Carriere, Bernard J. Cook, John D. Cumberland, Lewis J. D'Aubin, Patrick J. Davis, Erwin J. Deiparine.

Also, Price G. Dodson, Christopher

J. Fernandez, Owen J. LaCour, Patrick J. Lemmon, Eduardo S. Perez, Stephen Perrien, William F. Rachal, James G. Redman, Robert M. Richards, Sean P. Ryan, and Leonard A. Young.

The competition is based on the National Merit Semifinalist Qualifying Tests, also known as the Preliminary Scholastic Aptitude Test (PSAT). The test is given in the fall of the junior year. To qualify, a student must score in the top one-half percent of all Louisiana students taking the test.

Nationally, there were 15,000 semifinalists named. These students competed for finalist status and then for about 5,800 scholarships worth \$21 million which were awarded in spring.

Three of the Jesuit National Merit Finalists received full money scholarships. These students are (L to R): Jorge Bravo, Ryan Balot, and Sean Ryan.

Mr. 'Sonny' Borey evaluates the cast of *A Day in Hollywood* during a dress rehearsal.

The Jesuit High School Phileletic Society held two productions this year: *Anything Goes!* and *A Day in Hollywood/A Night in the Ukraine*. Director Sonny Borey led two talented casts through an arduous journey of rehearsals that culminated in excellent performances.

The casting process begins weeks before the actual production; tryouts for Jesuit students and girls of area schools are held either on the weekend or after school. Once the general cast has been chosen, Mr. Borey selects his "principals" — those who hold lead roles. Then, both the chorus and principals proceed through long weeks of practice, as every motion, every step, every phrase, is perfected. Finally, dress rehearsals arrive. Then, the performances before the audiences.

This year's fall production, *Any-*

*thing Goes!*, combined shipboard romance with Moon Martin's fraud on the high seas to capture the audience in the wild adventure. Billy, a boyish character who chases his eternal love, Hope, was played by senior Van Laborde. Senior Jay LaCour was Moon-face and senior Jimmy Huck made his debut on the Jesuit stage as Sir Evelyn Oakleigh. Captain Sonny Borey led his crew through the extravaganza.

The Spring production, *A Day in Hollywood/A Night in the Ukraine*, provided a double feature for its viewers. While the first act paraded before avid eyes the glitter of Hollywood, the second act presented the Marx Brothers in their final "howlariou, laugh-a-minute" picture. Huck, Laborde, and LaCour again held the lead roles; they were supported by a fine chorus of Jesuit students and talented girls from area high schools.

The Jesuit Photography Club is a loose knit organization of students who are interested in creative photography and in the process of developing film.

Members of the club meet in the WJHS darkroom twice a week after school. The darkroom is outfitted for developing and printing 35 mm black and white film. The club's main purpose is to develop basic darkroom skills while providing recreation. Many members also contribute to the Blue Jay newspaper and Blue Jay yearbook.

This year's president was David Watermeier. Mr. Mark Fucello was the faculty moderator.

## Junior Varsity Quiz Bowl

This year's Varsity Quiz Bowl Team consisted of Captain Jorge Bravo, Danny Abramowicz, Michael Becker, Joey Biggio, and John Fitzmorris.

Mr. Ron Rossi, in his first year at Jesuit after coming over from St. John's Prep, helped guide the Jays to a first round pounding of Archbishop Blenk High by a score of 410 to 185. Then, in the second round, St. Martin's came from behind to take a 310 to 235 win over a Jay team weakened by illness.

Although knocked out early in the single elimination tournament, it was not due to a lack of effort. Beginning in September, the team worked daily during the lunch periods. The team won several intramural matches and split a pair of matches with the faculty.

Four of the five team members will be lost to graduation, but with the help of returning player Michael Becker and sophomore Vic Fernandez as well as an up and coming group of junior varsity players, the team should rebound for a great '86-87 campaign.

Company Commander Major Greg Bazin '80 salutes the cadets prior to receiving awards at the change of command ceremony

The Jesuit Marine Corp JROTC program began with the assistance of the late Congressman F. Edward Herbert, an alumnus, in 1966. When instituted it was mandatory that all students participate but in the early 1970s participation became optional.

In recent years, although the program continues to foster responsibility and leadership, the program has experienced a decline in the number of participants. Currently, about 88 Blue Jays participate.

In spite of its dip in enrollment, Jesuit's JROTC program still has a drill team, which marches in parades and competitions; a physical fitness team; a rifle team; and a color guard.

The in-class instruction cadets receive is a military science course, taught by Sgt. Spencer, which involved military history, first aid, drill, and leadership instruction.

This year's Company Commander was Senior Gregory P. Bazin. Other student officers for the 1985-86 school year were: Van C. Falgout, C.O. of Cadets; Kevin M. Lombardo, Company Adjutant; Archie Tatford, 1st Platoon Commander; Andre J. Harrell, 2nd Platoon Commander; Denny W. North, Color Guard Commander, Frank V. Endom, Drill Team Commander; and Albert F. Members of this year's Spirit Club worked long and hard figuring out new ways of promoting school spirit.

The Spirit Club is of vital importance to the school because its members have the responsibility of making visible that nebulous thing called school spirit by selling spirit ribbons and pins, preparing for pep rallies and painting run-throughs and strip signs for Jesuit's athletic events. The club's biggest project of the year involved combining old and new ideas for Homecoming Week. During this week the Spirit Club conducted a banner contest, planned the pep rally, and decorated the stadium with Blue and White for the game. In addition, the club found time to organize a marching group for the Homecoming Parade.

The officers of the Spirit Club were President Paul Spitzfaden and Vice-President Ty Guidroz. The club was moderated by Br. Dardis, S.J.

Student Council Members

The 1985-86 Student Council worked as a team for the student body. With the guidance of two new moderators, Mrs. Kathleen Bears and Fr. Tom Hoffman, S.J., the Student Council initiated new activities and improved on traditional ones. New projects spearheaded by this year's creative council included an exciting Halloween "Extravaganza" with a costume contest, Christmas caroling at Charity Hospital, and a festive Mardi Gras Dance. The traditional activities such as the Homecoming Dance, the proms, and the many contests were successes as well. Leading this year's

student council, which also included representatives from each homeroom, were: Glenn "The Bear" Melville, President; Jay LaCour, Vice-President; Gordy Rush, Secretary; Jon Berthelot, Treasurer; and Bobby Malachias, Senior Class President.

WJHS is the Jesuit High School closed circuit color television network and radio system.

Various classrooms in the school are equipped with color television monitors which allow students to view any pre-recorded or live material from the television studio. The studio itself is equipped with two color cameras, a control unit capable of switching and special effects, a complete editing system, and a number of video cassette recorders. The radio station gives students the opportunity of gaining experience in the various aspects of radio broadcast. Students broadcast music into the cafeteria during lunch time each day.

Seniors may select the Radio and Television elective for credit and hence further their knowledge and experience of the various mass media fields.

## District XI-AAAA Runner-Up

Second Row: Brad Murrett, Mike Downs, Andre Garsaud, Glenn Melville, Dirk Wilner, Mike Smith, Lance Moran, Chip LoCoco. Third Row: Fr. Tom Hoffman, S.J. The Blue Jay Baseball Team, although young, once again notched a successful season this year. Overall, the varsity compiled a 17-10 won-loss mark and finished second in the district.

The team completed an erratic pre-district schedule with a 5-4 record, losing its first three games, then winning its next five before falling in its final pre-district contest.

Entering district play, the Jays were picked to finish fourth. Yet, they showed their mettle and skill by immediately running up a 3-0 record with victories over Shaw (5-1), De La Salle (16-3), and Chalmette (21-10). The team struck out in its next two games, however, in losing to Holy Cross and Rummel. Then, the Jays bounced back to defeat Brother Martin (3-1) and St. Augustine (12-2) to finish the first round 5-2 and in a second place tie with Rummel. In a showdown with Rummel, the Jays were propelled by Brad Murrett's pitching and Chris Galy's clutch hitting in carrying them to a 5-3 victory and second place.

The second round started off a little slower than the first. The Jays fell to

Shaw (9-7) in the opener. Then Jesuit defeated De La Salle (10-9) in a ten inning battle. The Jays followed up with a 6-0 shutout over Chalmette. Then, in a hard-fought game with Holy Cross the Jays fell 7-6. The Coach Dave Moreau led Blue Jays went on to finish the second round 3-3 by defeating Brother Martin 5-2, losing to Rummel 8-7 and edging St. Augustine in extra innings.

Despite the mediocre finish in the second round, Jesuit's playoff hopes remained alive and well because of their strong first round finish. To reach the state playoffs, the Jays had to defeat Rummel, the second round runner-up. Led by the hitting of Mike Smith and Rob Weiss and the pitching of Todd Graffagnini, the Jays waltzed to a 13-4 triumph, the District XI-AAAA runner-up spot, and a playoff berth.

In their first playoff game, the Jays traveled south to play South Terrebonne. After falling behind 3-0 in the second inning, Jesuit rallied for seven runs, all with two outs, in the fourth frame. After plating four runs on two walks and three hits, the Jays scored their final three runs on four walks

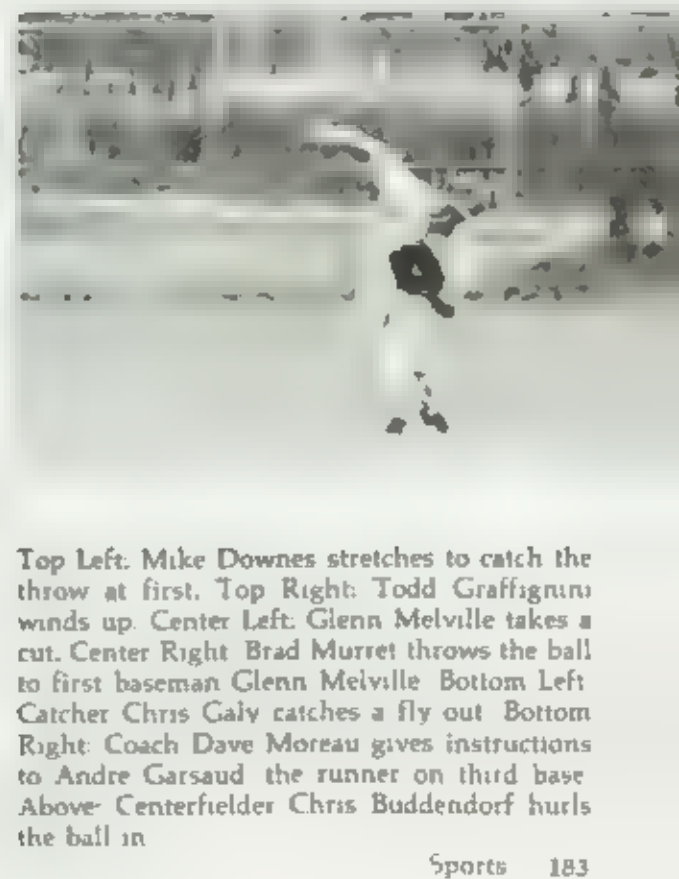

and a wild pitch. Todd Graffagnini notched the victory in relief of Brad Murrett.

The Jays then returned to New Orleans to face O.P. Walker in the next round of the state playoffs. After trailing 3-0, Jesuit scored four runs in the top of the second inning. However, Walker eventually scored three more to win it 6-4.

After the season, seniors shortstop Dirk Wilner and junior catcher Chris Galy were elected to the All-District Team. Wilner, who signed to play baseball at Mississippi State after the season, was also selected to the All-Metro Team.

The 1985-86 Blue Jay basketball team notched one of their most successful seasons in recent years. Sailing to a 15-5 mark in pre-district action, the Jays soared on to a 27-10 record overall, finishing as the District 11-AAAA runner-up.

After starting the season 3-0, the team suffered a last second loss to DeLaSalle in the Slidell Tournament. The Jays immediately bounced back in the Bonnabel Tournament, however, by defeating East Jefferson, Holy Cross — on a last second midcourt shot by Ernie Williams — and Brother Martin to claim the tournament title. Cass Clarke was named Most Valuable Player and Ryan Hubbard was selected to the All-Tournament Team.

Jesuit's basketball squad then competed in the CYO Tournament and finished second to Brother Martin. To reach the finals, however, the Blue Jay court-men defeated DeLaSalle 71-51, thus handing the eventual state champions their only loss of the year.

Jesuit entered district play full of confidence, and the first two games

did nothing but bolster this feeling. After crushing Rummel 62-48, the Jays soundly defeated Brother Martin 76-51. The next two games were closer: a 54-50 victory over Holy Cross and a 46-44 win over Shaw.

The team suffered its first district loss in a pivotal game against DeLaSalle, 56-53. Then, in a game without guard Cass Clarke, the Jays were upset by Chalmette, 55-47. Jesuit then defeated ineligible St. Augustine to finish the first round at 4-2, tied with Rummel for second place. In a playoff for second, Jesuit lost 61-50.

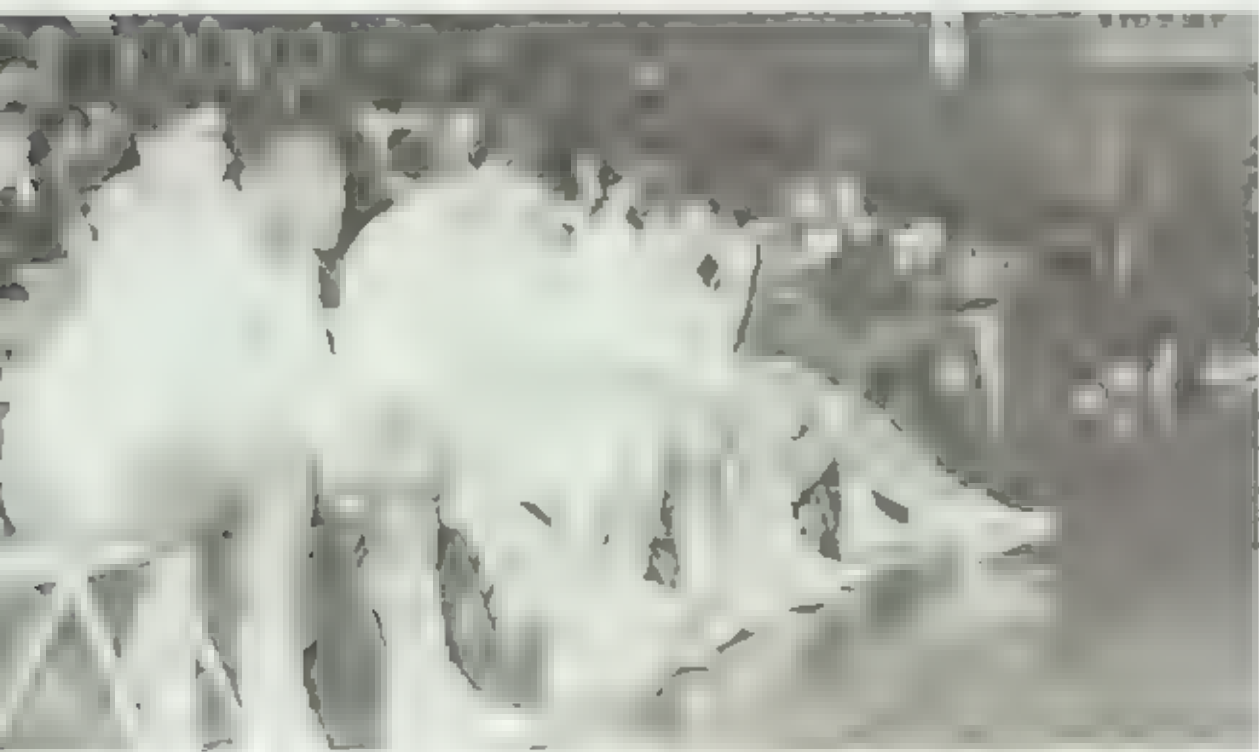

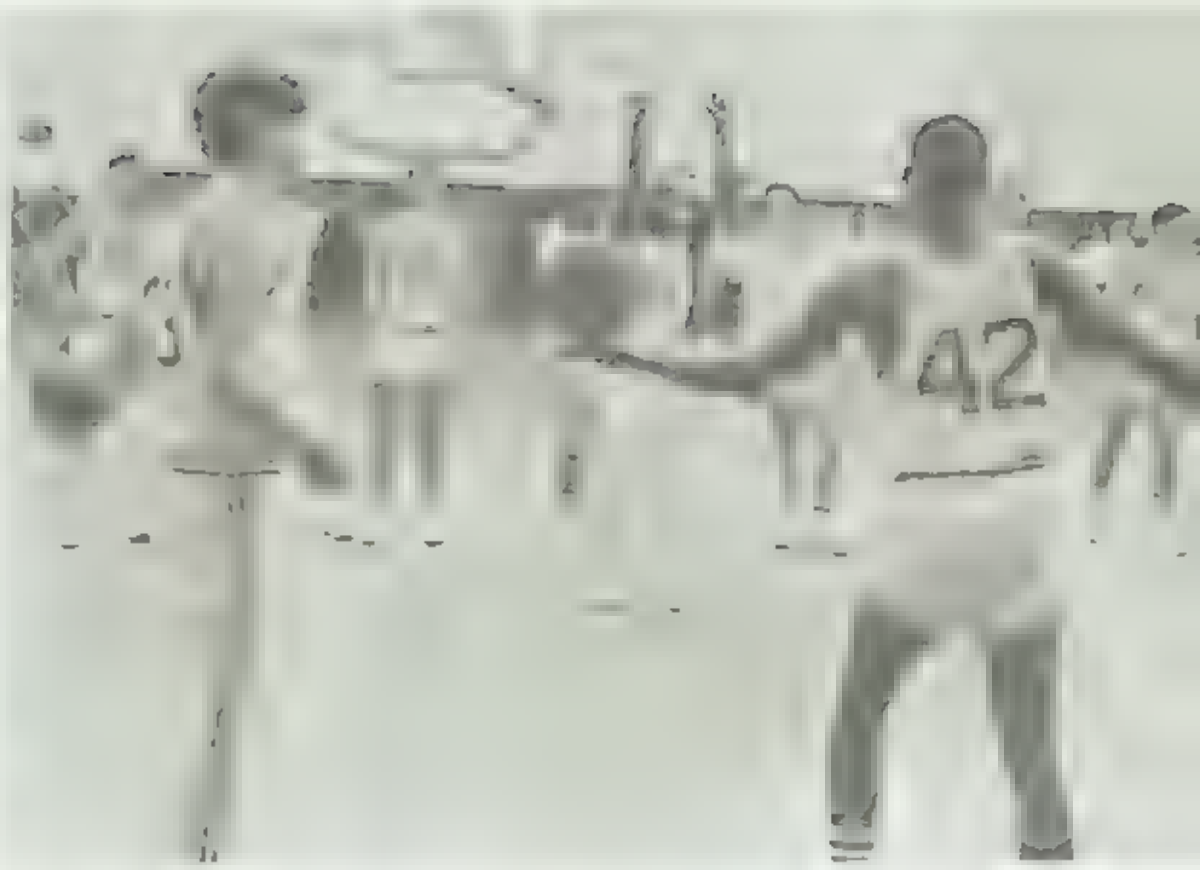

The Jays again bounced back, however, by beginning the second round with consecutive victories over Rummel, Brother Martin, Holy Cross, and Shaw. Then, again, the stage was set for a showdown with DeLaSalle. The Jays showed their mettle in rallying from nine points down to eventually take a seven point lead in the fourth quarter. However, DeLaSalle battled back to tie the game and then win on a last second shot, 59-57.

The Jays won their last two games,

over Chalmette and St. Augustine, to finish a 5-1 and in second place for the second round. This set up a rematch with Rummel, who was the first round runner-up. The Jays were up to the challenge this time. In a game which Jesuit led most of the way, the Jays defeated Rummel 55-50 to become the District 11-AAAA runner-up.

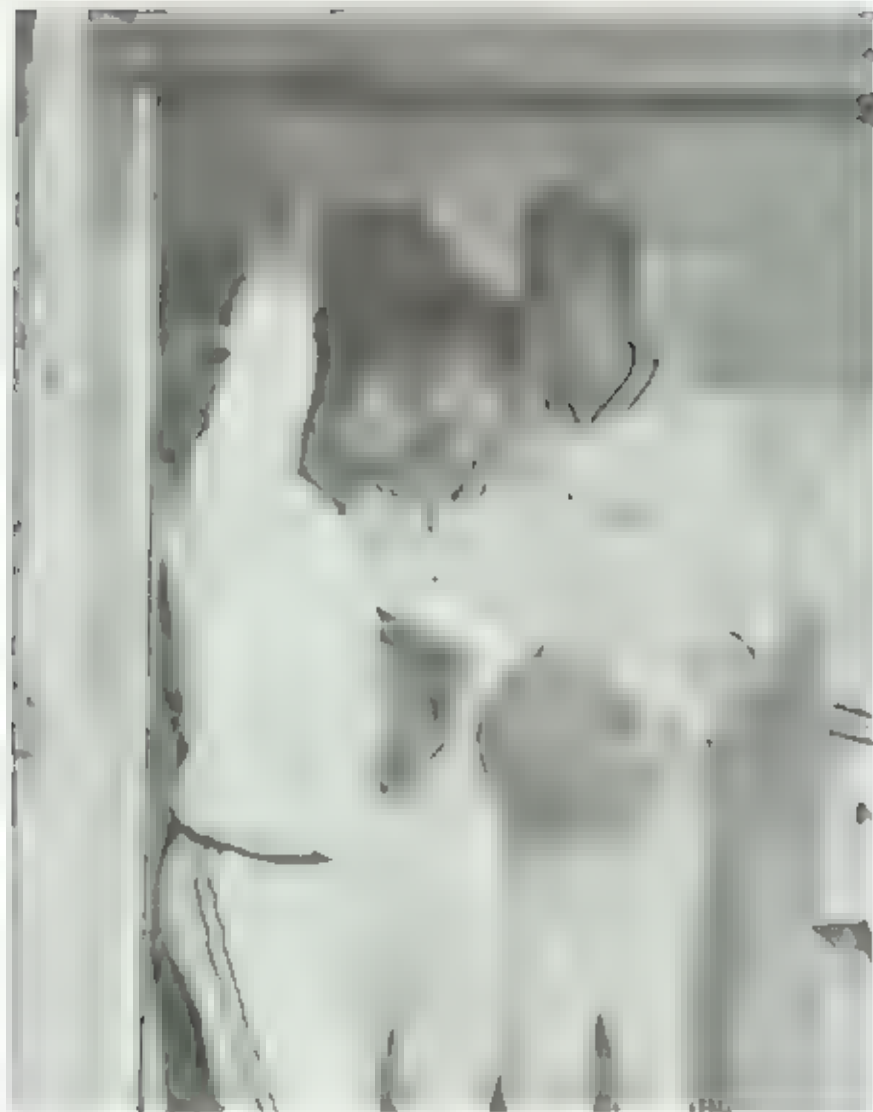

In their first playoff game, the Blue Jays travelled to Houma to play South Terrebonne. The topsy-turvy game, which was marked by streaks by both teams, wound up tied 62-62 at the end of regulation. The Jays took the lead in overtime, but S. Terrebonne came back to tie it at 68, and the game went into a second overtime. The Jays' season ended a short time later as S. Terrebonne won 76-72. Pacing Jesuit were Cass Clarke with 21 points and nine assists, Ryan Hubbard with 20 points, Curtis Watson with 13 and Bryan Hubbard with 11 points.

## New Orleans Prep League Champions

League Champions Killer Jays (L to R): Kirby Gowland, Kevin Shearman, George DeMare, captain Tommy Moran, and Todd Bourgeois.

For the first time in many years, Jesuit entered three teams in the New Orleans Prep Bowling League. The league, consisting of 18 teams from throughout the city, competed for 28 weeks.

The "Killer Jays," Jesuit's first team, led the league from wire to wire, falling to second only once. The "Killer Jays" with members Tommy Moran, Kevin Shearman, Kirby Gowland, George DeMare, and Todd Bourgeois swept a pesky Holy Cross team in the final week to win the league title by five games. The Jays finished with a remarkable 85.5 - 26.5 record and advanced to the City Championship Playoffs.

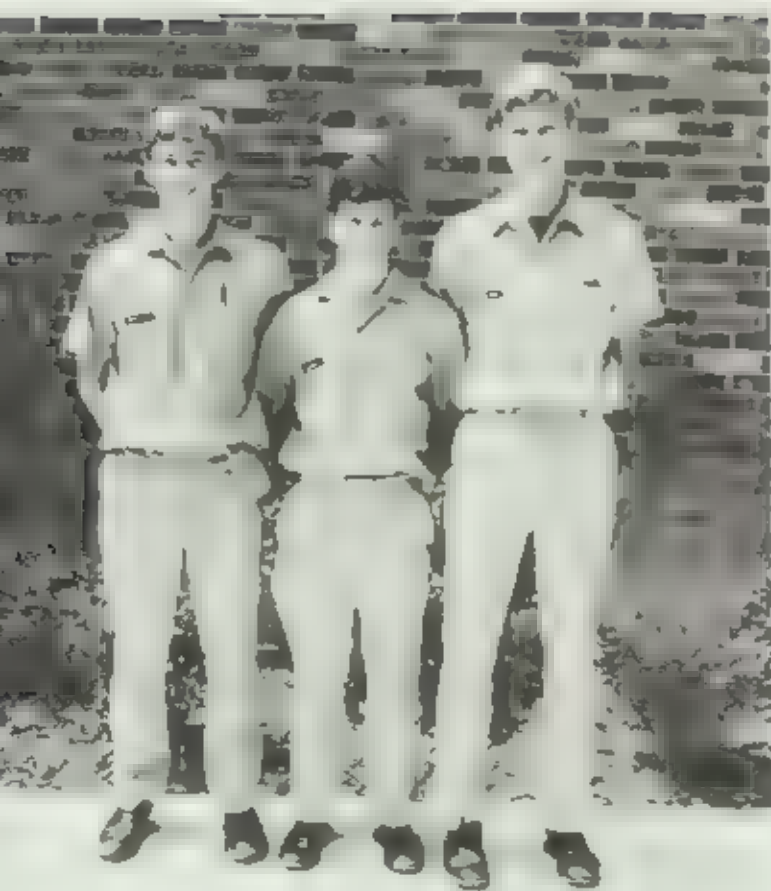

In the playoffs a field of ten teams competed in six games for the city championship. After the first round, the Jays found themselves in fourth place and 200 pins behind the leaders. In the second round, the Jays bowled well and overtook O. Perry Walker and West Jeff and in the end became city runners-up.

Jesuit III, consisting of Dave Cumberland, Bernie Cook, Tommy Regan, Steve Daugherty, and Chris Eiffert, were considered underdogs at the beginning of the season. However, with a solid team effort the Jays compiled an impressive 65.5 - 46.5 record and barely missed the city playoffs.

Individually, senior captain Tommy Moran finished with a 172 average, second best in the city.

The 1985-86 Jesuit Cross Country season was a campaign marked by great triumph as well as great disappointment. With eight talented lettermen returning, the Blue Jays seemed primed to capture the 11-AAAA district crown for the fourth year in a row, but early season injuries wreaked havoc on the starting line-up.

The team fell short of their goal, the district title, but spurred on by the leadership of seniors Jim Busenlener, Greg Bazin, David Bell, and Andre Harrell, sophomore Patrick Browne and junior Jack Fleming, the Jays finished the season as Metro Champs.

In the first meet of the season, Brian Breault ('87) led Jesuit to a second place finish behind Brother Martin.

Then, the next week, top twenty performances by Browne and Busenlener enabled the Jays to finish fifth out of a field of over 30 teams from three states.

At the Jesuit Invitational the Jays once again finished second to Brother Martin as Jim Busenlener led three Blue Jays to top ten finishes.

The Jays finally fielded a healthy team of runners two weeks later at the City Championship and the result was Jesuit's first-ever Metro Championship. Sophomore Patrick Browne finished the three mile course in sixth place with a time of 16:42. Sophomore Rickey Bass overcame a season-long injury to place seventh in 16:55, Jim Busenlener came in twelfth in 17:03

and Paul Garvey finished fourteenth in 17:06 despite having numerous stitches in his back. David Bell notched twenty-third place with 17:29 and Greg Bazin came in thirty-first (17:41). This total team effort was a perfect model of "pack-running" and resulted in a sound 49 to 61 defeat of Brother Martin.

Elation turned to disappointment, however, as the Jays slipped to third in the district meet a week later. Bright spots for Jesuit were the fifth place finish of Patrick Browne and the seventh place performance of Jack Fleming. These two traveled to the state meet and represented Jesuit well with personal best times of 16:02 for Browne and 16:40 for Fleming.

The 1985 Jesuit football team exemplified courage throughout the season. The Blue Jays, plagued by injuries and narrow defeats, marched to a 5-5 record and fourth place in District 11-AAAA.

The Jays looked impressive in rolling up a 2-1 mark in pre-district action. After upsetting East Ascension 7-6 in the Gonzales Jamboree, the Jays went on to crush Nichols 40-0 and squeak by South Lafourche 27-23. However, the first loss of the season came the following week when the Jays fell to Terrebonne 14-7.

One other major loss occurred in the pre-district play when defensive tackle Jason Navia suffered torn ligaments in his knee and missed the rest of the season.

Despite the loss to Terrebonne, Jesuit went into the first district game — against Rummel — with high expectations. After dominating the first three quarters and running up a 13-0 lead behind the running of Willie Bradford, the passing of Tommy English, and the defensive play of Blake Brennan and Gordy Rush, the Jays began to falter in the fourth quarter. Rummel subsequently mounted a co-

meback and won 14-13.

The Blue Jays suffered their only loss by more than a touchdown in the team's next game against Brother Martin. The Crusaders, who eventually won the district title, dominated from start to finish in winning 34-14.

The Jays bounced back against Chalmette in the next district contest. Led by Willie Bradford, who ran for 288 yards and three touchdowns, the Jays won 26-15 to end a three game losing streak and even their record at 3-3. Buoyed by this victory, the Jays went on to upend St. Augustine the next week by a 14-7 margin. Gordy Rush led the Jays with three interceptions and a blocked pass.

Riding the momentum of these two triumphs, Jesuit continued its win streak by etching out a 21-13 victory over DeLaSalle. A late fourth quarter defensive stand sealed the victory, which gave Coach Frank Monica's squad a 2-2 district record and a 5-3 overall mark.

Propelled by this three game win streak, the Jays rode into the Louisiana Superdome with high spirits for its game against Shaw. The Blue Jays played one of their best games of the

year, and by the end of regulation the score was knotted at 14-14. However, in the sudden death overtime, Shaw scored within its four-down series from the ten yard line and the Jays fell half a foot short in its series.

After the heartbreaker to Shaw, the Jays looked forward to their homecoming game with Holy Cross. But the Tigers shocked the Jays by rambling to a quick 14-0 lead in the first half. Nonetheless, Jesuit fought back in the third quarter and tied the game at 14-14. It seemed as if the game might go to overtime, but Holy Cross put together a winning drive and scored with 29 seconds left.

The Jays' 5-5 record (2-4 in district) did not reflect the spirit the team exhibited. Only one game was lost by more than a touchdown. The Jays displayed courage and determination throughout the season.

After the season, All-District honors were bestowed upon Willie Bradford, Gordy Rush and Chris Dolese. Bradford was also the No. 1 rusher in District 11-AAAA (1,227 yards). Bradford signed to play with Holy Cross College. Rush signed with Purdue.

## Golfers Finish Second In District

(L to R) Anthony Tridico, Tommy Bartlett, David Pitre, Robbie LaNasa, Mike O'Shea

Jesuit's 1985-86 Golf Team placed second in the fall round of District XI-AAAA competition and first in the spring round.

In the spring the team was led by senior David Pitre, freshman Tommy Bartlett, and sophomore Anthony Tridico. The Jays captured the spring title by winning a tri-match against Brother Martin and Shaw. To determine the district champion, the Jays had to beat the fall champions, Brother Martin. On the final hole, however, Brother Martin's fifth player sank a 35 foot putt to give the Crusaders a one shot victory.

In the Regional Tournament, David Pitre shot a 70 to win as individual champion, and the team placed second (three shots back). Bartlett shot a fine 75 in the Regionals. Pitre went on to capture third place in the State Play-offs on Shidell's Eden Isles Course, while the Jays finished tenth in the state.

Beside Pitre, Bartlett and Tridico, other Jays carding low scores during the year included: Mike O'Shea, Craig Todaro, Abboud Thomas, and Robbie "Lefty" LaNasa.

This year's golf coach was Mr. Walter McCoy.

This year the Jesuit Karate Team consisting of ten members under the instruction of third degree black belt Mike Urpschot, was only able to participate in the All-South Regional Tournament held annually at U.N.O. Competition consisted of kumite (sparring) and kata (form demonstration).

The goal of kumite is to score three points against an opponent in hand-to-hand combat within a time limit of two minutes. A point is awarded to a fighter when he throws a strike close enough to his opponent that it would have landed had the fighter completed the attack.

Participants in kata competition exhibit their abilities in a series of specific forms to a panel of five judges.

At the tournament everyone benefited from a great experience of hard work and personal fulfillment.

This year's team is losing four seniors: green belt Havard Albright, first degree white belt Albert Babin, and beginners Mark Anderson and Michael Reyes. Nevertheless, the invaluable experience obtained by the rest of the team this year is destined to make next year one of the best ever for Jesuit Karate.

## Up And Coming Varsity Team Places Second In District

The 1985-'86 soccer program has been one of continued excellence and notoriety for the Blue Jays. The Junior High and Junior Varsity teams completed undefeated seasons as district and state champions, finishing 17-0 and 18-0 respectively. The Varsity, despite overall youthfulness and relative inexperience, earned a playoff berth for the fourth consecutive year and came within one-half game of defending its district title.

In the State Championship Playoffs, the Jays battled stubbornly to first tie then defeat highly-regarded and previously undefeated Acadiana High in Lafayette. Senior John Hummel's second-half goal tied the score at 1-1 and eventually sent the game into overtime. In the second sudden-death period, at the 102nd minute of play, Jeff Saucier directed a long throw-in from the left sideline toward the right post. Sophomore Matt Werner leapt to meet the ball at the goal and head it back past defenders to a waiting Jay Martinez, who booted it home to win and send the Jesuit players, friends, and families who had made the trip, running onto the field in joy and frenzied celebration. The Jays returned home to face Warren Easton in the quarterfinal round. Also undefeated in '85-'86, the Eagles successfully defended a first-half one goal advantage

to advance. The Jays, perhaps feeling the effects of the long Acadiana match, sustaining a great effort, controlled play for the balance of the game, and came close repeatedly, but could not equalize against a well-rested Easton team that had earned a bye in the first round.

The Varsity's 17-6-3 overall record reflects the youthfulness, consistency, and potential of a group from which only three will graduate. Bob Malachias, Curtis Franklin, and John Hummel provided leadership through performance and by example to a program that has earned a reputation for producing teams capable of turning adverse situations into victory and new life through hard work and positive thinking. Franklin and Malachias, both three-year lettermen, co-captained the team along with Junior Scott Bender. These two seniors, as well as Hummel, figured prominently, particularly by scoring crucial goals in come-from-behind victories during the season, two of which earned the Jays their playoff berth.

The Junior Varsity rolled to its second consecutive undefeated district and state championship season, defeating Rummel 3-0 in the State Final. Their will-not-be-denied attitude was exemplified late in the first half of the championship match, when defensive

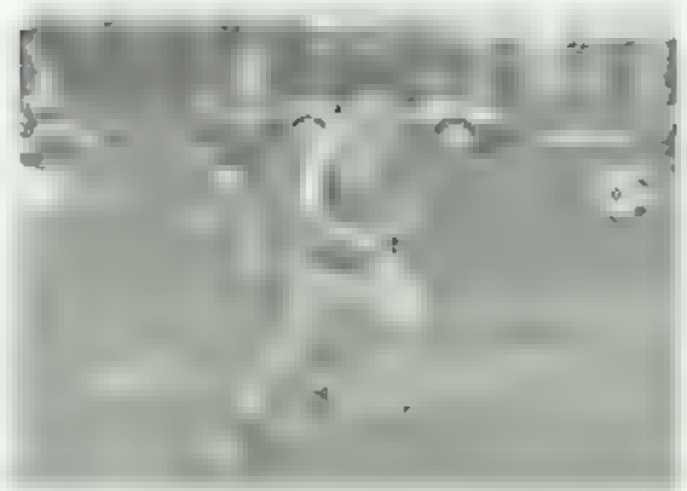

ace Kevin Franklin recovered the ball and dribbled from his stopper position past a bevy of opponents to set up Matt Werner's dazzling ice-breaking tally. Freshman Trey Kreig scored in the second half, and Werner capped off the game and his season as scoring leader with the third goal for the Jays. The JV defense, led by sweeper Philip LaNasa, goalkeeper Kevin Wiseman, and wingbacks Soren Gisleson and Tim Molony, allowed five goals in eighteen matches, while the decidedly-dangerous offense, featuring assist leader Vincent Hummel, midfielders Omar Paz, Jaime Barry, and Trey Kreig, produced seventy-three goals, or an average of just over four goals per match.

The 8th-9th grade team, or Junior High, overcame a strong effort by DeLaSalle to cap off their third consecutive undefeated district and state championship schedule with a 3-1 victory over the Cavalier. Trey Drury opened the scoring on this windy, blustery-cold Friday afternoon, rising the elements to full advantage, as he curved a high-trajectory corner-kick around the goalkeeper for the score. Mark Boasberg blasted a crucial go-ahead tally after the Cavs had equalized. John Powers followed up Drury's counter-attack drive late in the second half to seal the victory.

The 1986 season may be remembered as the most successful ever in the history of the Jesuit High School Swimming program. For the fourth consecutive year, the Blue Jay Swimming Team won the State Championship.

Led by senior co-captains Richard Strauss and Sam Juneau, this year's squad began its season with three goals in mind, all of which became history-making, record-shattering realities by season's end. The first goal was to finish the dual meet season undefeated and thereby remain undefeated in dual meet competition for the fifth straight year. The second goal was to win the 1986 City Championship for the third year in a row. And the third goal was to capture the 1986 State Championship.

In the City Championships, the best word to describe the Jays' effort was "dominance." Blue Jay swimmers Kevin Williams, Richard Strauss, and Ramone Rodriguez took first, second, and third in the 200 yard freestyle and second, third, and fourth in the 500 yard freestyle. Sam Juneau turned in an All-american consideration time of

56.45 in the 100 yard backstroke, and the 400 yard freestyle relay team of Williams, Strauss, Rodriguez, and Juneau won by five seconds over second place De La Salle.

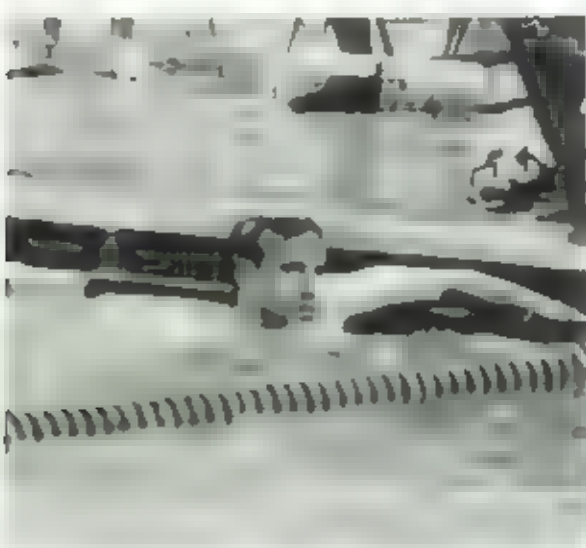

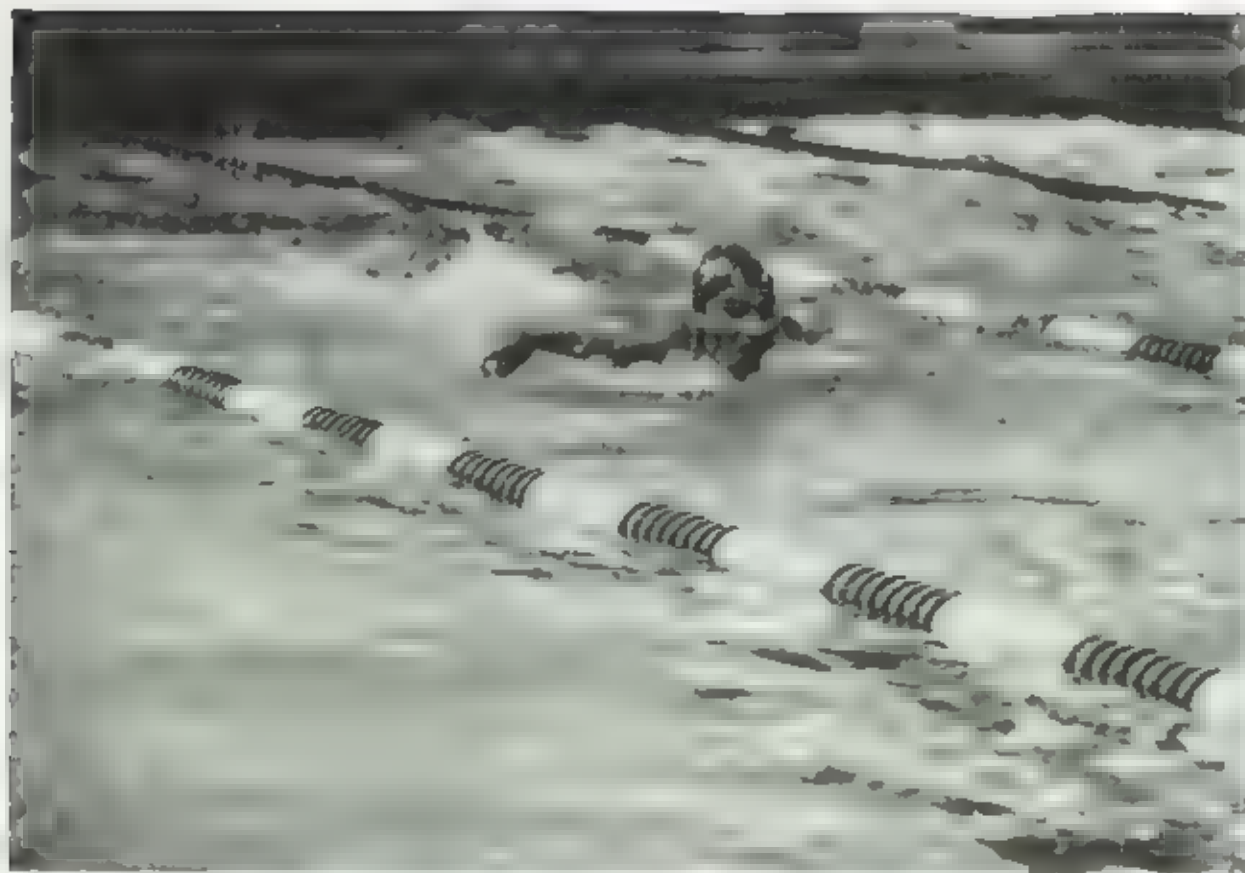

In the State Championships, Baton Rouge High was favored, but, with determination, spirit, and pride propelling them, the Jays rose to the occasion and beat Baton Rouge High by eight points.

Although the 1986 Blue Jay Tennis Team was not as fortunate as the '85 squad, this year's team proved to be a formidable opponent against the best competition in the state.

Led by senior Michael McNamara, juniors Kenneth Donnelly and David Outlaw, sophomores Sean Doles and Benton Hebert, and talented pre-freshman Sean Rice, the team compiled an 8-1 record in district play. The Blue Jays defeated six of their district opponents by shutout (9-0), including Rummel, Newman and Holy Cross. In the district showdown, however, Jesuit lost its crown in a close match to rival Brother Martin.

In the Regional Tournament, the Jays claimed the runner-up spot with

both McNamara and Donnelly reaching the semifinals in singles and the doubles duo of Doles and Outlaw advanced to the quarterfinals.

The team closed out the season at the State Tournament in Baton Rouge where McNamara and Donnelly each reached the quarterfinals.

The starting six players throughout the season were: Michael McNamara, Kenneth Donnelly, David Outlaw, Sean Doles, Benton Hebert, and Sean Rice. Other Jays who saw action were: Chris Charlton, Bob Ruch, Louie Labruyere, and David Elvir.

Since the team loses only one senior to graduation, the Jays have high hopes for next year.

## Blue Jays Win Jesuit Invitational

Varsity Trackmen (L to R): Mgt. Mark Pernen, Paul Garvey, Jack Fleming, Rob Case, Joseph Taylor, Brian Breault, Elliot Prieur, Brian Passantino, Bryant Moore, Greg Bazin, and Patrick Browne

The 1985-86 Jesuit Track & Field Team turned in outstanding performances throughout the outdoor season. The season featured weekly meets from a period of two months at the varsity level along with a considerable number of junior varsity and junior high competitions.

The varsity tracksters broke from the starting blocks with an impressive second place showing at the Blair Rittiner Relays and continued its success by placing in the top five places consistently for the rest of the season. In fact, the varsity, with an all-around effort, won the Jesuit Invitational for the first time in eleven years. Hence, after sub-par performances in recent years, the Blue Jay tracksters gained both admiration and respect from opposing teams and coaches this year.

The '86 track season was also one of individual record-setting performances. Seniors Jimmy Huck and Bryan Benbow set new school records in the triple jump and the high jump, respectively. Huck hopped, skipped, and jumped to a record 46 ft and 11 1/4 inches in the triple jump, and Benbow leaped 6 ft. 4 inches to set the high jump mark.

Many other outstanding performances were cashed in for team points at each meet. Senior Rudy Horvath led the team in the power events,

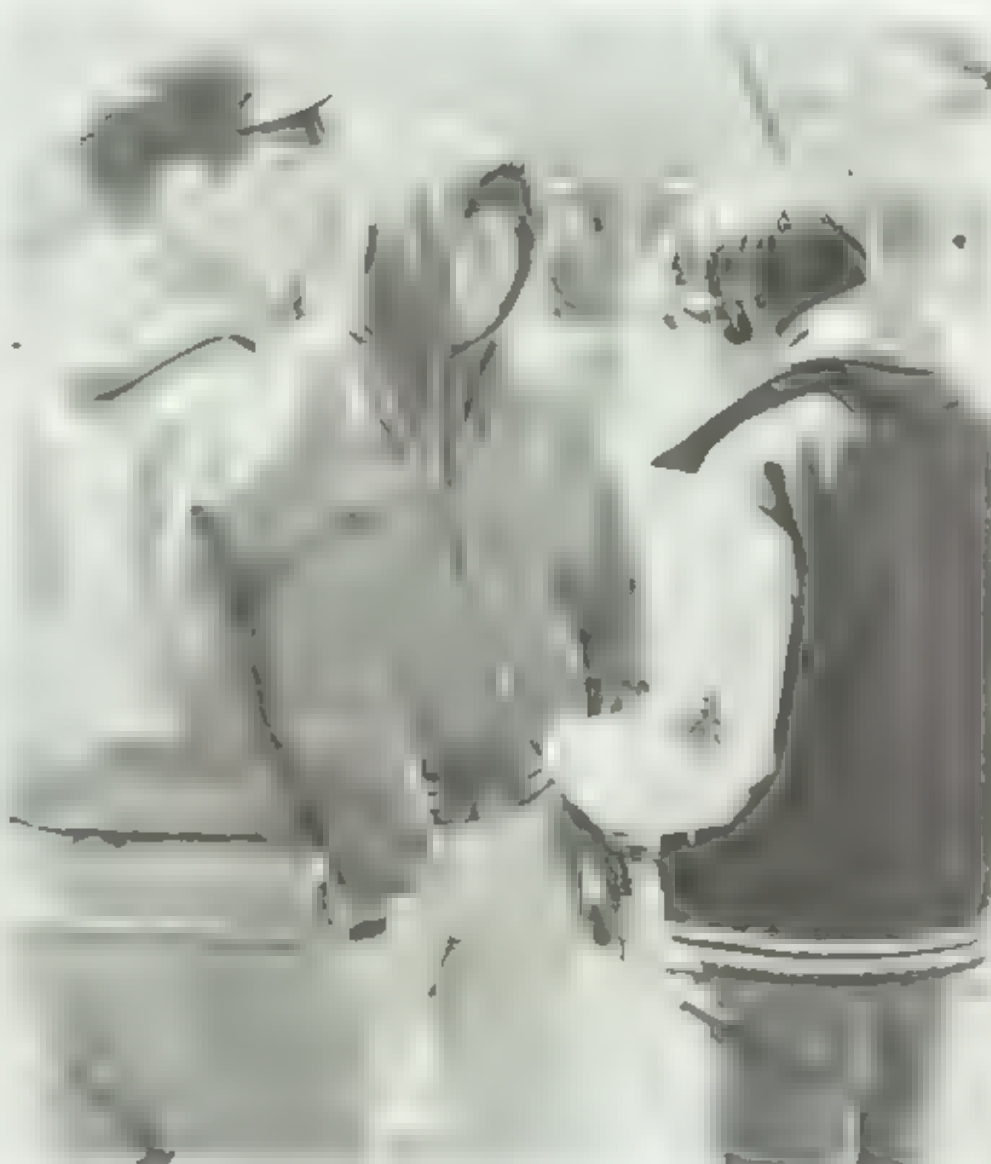

Varsity Fieldmen (L to R): Rudy Horvath, Lloyd Huck, Bryan Benbow, Jimmy Huck, and Eric Hawkins

and senior Greg Bazin led in the middle distances. Juniors Lloyd Huck, Jack Fleming, Malcolm Coco, Elliot Prieur, Bryant Moore, Paul Garvey, and Rob Case, along with others, added to the team's total success for the year in all other events.

The Junior High Track Team won their District Championship, and the

Junior Varsity Team took second place in their district competition. Scott Maness, Patrick Browne, Mark Jeansonne, Thad Thompson, Derris Newman, Keith Hill, Chris Weddle, and Keith DiMaggio are solid performers who ensure continual success in the future for the Blue Jay Track & Field Program.

The 1985-86 wrestling season was an exciting one for the Blue Jay matmen. The Jays had a young team, experience-wise, yet they held their own against the best competition in the state.

The season began with the Cashio-Shriver Tournament in which the team gave a strong performance and proved that it would be a power to be reckoned with. After this tournament, the season progressed rapidly as the team gained experience and momentum with several dual meet wins. Jesuit's only dual meet loss of the season was a narrow defeat to eventual state champion Brother Martin by four points.

Season highlights included the George Trygg Memorial Tournament in which the Jays defeated Grace King to take the title; the City Championship Tournament which Jesuit won over a field of strong competition; and the Lee High Invitational Tournament in which Jesuit placed third out of 32 teams from throughout the state. In addition, the Blue Jays took fourth place in the Regional Tournament and fourth place in the State Tournament.

Kyle Kershaw and Mike Cola both placed sixth in the state, while Carlos Bertot took second place. Senior Chris Gasser captured the state crown in his 119 pound weight class. Gasser finished the season with forty wins and

only three losses. Bertot closed out his career with over 100 wins.

The starting varsity lineup was as follows: Spenser Harris (98 lbs); Scott Drewes (105 lbs); Carlos Bertot (112 lbs); Chris Gasser (119 lbs); Shep Baumer (126 lbs); Kyle Kershaw (132 lbs); Gerry Halphen (138 lbs); David Ducote (145 lbs); Ricky Rizzuto (155 lbs); Paul Leonard (167 lbs); Brig Booth (185 lbs); Scott Davis (210 lbs); and Mike Cola (Heavyweight).

Considering their youth, the Jays notched a very successful season, and next year should shape up to be a good one too as nine varsity starters will return.
